The Transformation of Property Regimes and Transitional Justice in Central Eastern Europe

Liviu Damşa,2017-01-03 This volume examines the property transformations in post communist Central Eastern Europe CEE and focuses on the role of restitution and privatisation in such transformations It argues that the theorisation of restitution in post communist CEE is incomplete in the transitional justice scholarship and in the literature on correction of historical wrongs The book also argues that for a more complete theorisation of post communist restitution the transformations of property in post communist societies ought to be studied in a more holistic way The main legal vehicles used for such transformations privatisation and restitution should not be studied separately and in abstract but in their reciprocal relationship and in connection to the dimension of justice which each could achieve Finally the book integrates privatisation in a theory of post communist transformation of property

Social Cohesion in the Western World Georgi Dragolov,Zsófia S. Ignácz,Jan Lorenz,Jan Delhey,Klaus Boehnke,Kai Unzicker,2016-05-25 Many people in the Western world are concerned that the social fabric of societies is fraying This book constitutes the first of its kind systematic account of social cohesion from theory through methodology to empirical evidence Readers are introduced to the academically developed Social Cohesion Radar of Bertelsmann Stiftung a globally active non governmental organization The Social Cohesion Radar defines and measures cohesion as characterized by three core aspects resilient social relations positive emotional connectedness between people and the community and a pronounced focus on the common good Using high quality academic and institutional data sources the Social Cohesion Radar provides insights into the level and development of social cohesion over a period of almost 25 years internationally among 34 European Union and OECD members and regionally among the 16 federal states of Germany It further provides insights into what influences cohesion and what cohesion is good for One of the key findings is that social cohesion promotes a happier life for everyone
