The Fountain The Furnace The Way Of Tears And Fire:

The Fountain and the Furnace Maggie Ross, 2014-06-10 Tears are a little known subject spiritually to most people and Maggie Ross is very helpful in giving us both a historical grounding and a contemporary personal relevance for it Tilden Edwards Shalem Institute for Spiritual Formation Maggie Ross has written a lovely intelligent and costly book costly in that it is evident that it cost her a great deal to write it and costly in that the conscientious reader cannot but be challenged by it Alan Jones Dean of Grace Cathedral San Francisco This is the only major work on tears today A fountain in the desert this book fills a genuine need which is more than most books can claim David Steindl Rast OSB Maggie Ross skillfully examines the gift and way of tears in relation to the evolution of Christian thought and spiritual theology Her thesis that tears release us from the prison of power and control into the vast love and infinite possibility of God is truly ecumenical William H Frey II author of *Crying The Mystery of Tears* [The Fountain & the Furnace](#) Maggie Ross, 1987-01-01 **The Westminster Collection of Christian Meditations** Hannah Ward, Jennifer Wild, 2000-08-01 Over 500 meditations from more than 250 authors classic and contemporary are arranged by themes that address individual needs and concerns in this extensive anthology of Christian meditations [Seeds of the Spirit](#) Richard H. Bell, Barbara L. Battin, 1995-01-01 This book brings together a selection of classic spiritual writings from the twentieth century's most inspirational authors Arranged thematically this book is ideal for use as a spiritual primer for laity and clergy alike and is also helpful for sermon preparation The topics include alienation and loneliness holiness and spirituality justice and kindness purity of heart humility and renunciation spiritual presence and incarnation and worship gratitude and joy Challenging and engaging these writings will invite us to explore and deepen our sense of the sacred in our everyday lives Selections are from the work of Karl Barth Daniel Berrigan Dietrich Bonhoeffer Martin Buber Dorothy Day Matthew Fox Gustavo Gutierrez Dag Hammarskjöld Vaclav Havel Abraham Heschel Martin Luther King Jr Madeleine L Engle C S Lewis Thomas Merton Mother Teresa of Calcutta Henri Nouwen Brother Roger of Taizé Dorothee Soelle Simone Weil and many others A short biography of each writer is included [The Language of Tears](#) David Runcorn, 2018-07-30 Tears are a common experience we rarely discuss and then only in relation to pain and loss David Runcorn draws upon a long Christian tradition of seeing tears as a gift to explore their deeper meaning and purpose their place in human life and their significance for prayer and spirituality In the early centuries of the church tears were regarded as an extension of baptism or a gift of the Spirit They were integral to prayer and a vital part of human integration and maturing Jesus said that those who mourn were blessed The Language of Tears explores how tears are a natural and important way of processing loss uncertainty and anxiety drawing upon theology scripture psychology and biology This accessible and sensitive guide is for all engaged in spiritual direction counselling or pastoral care *Answering the Contemplative Call* Carl McColman, 2021-11-16 The mystical path is not some sort of static experience for the select few says Carl McColman rather it is a living tradition a rich and many layered dimension of spirituality that is in

large measure a quest to find the mysteries at the heart of the universe paradoxically nestled within the heart of your own soul McColman first introduced readers to Christianity's lost mystical roots in his popular book *The Big Book of Christian Mysticism* Now McColman is back with *Answering the Contemplative Call* to show readers how to apply the riches of the mystical tradition to daily living McColman quotes from the great mystics of the Christian tradition who have also traveled this path including Teresa of Avila Thomas Merton Evelyn Underhill and more In *Answering the Contemplative Call*

McColman offers a practice that will help readers come to a place meaning and purpose in their lives **Finding the Way Through Water** Roland K Price, 2014-05-01 *Finding the Way through Water* explores how water contributes to our understanding of the created world and our Christian beliefs As an Emeritus Professor and an ordained priest in the Church of England author Roland Price explores how water features in the Bible Important at creation water brings about global catastrophe enables escape from slavery ensures survival in the wilderness prepares people for worship and sustains warriors and exiles In the gospels Jesus turns water into wine stills the storm has his feet washed with a woman's tears and washes his own disciples' feet For the Christians who were the first followers of the Way water was important in baptism and in prophecy You will be surprised by the extent to which water pervades God's story in the Bible and how an understanding of the management of water today can make that story accessible to all Take a look at familiar stories in the Old and New Testaments from the unfamiliar perspective of water Learn something about the relationship between the world of the Bible and our modern world Prepare to be challenged whether you are a water sector professional or a Christian wanting to understand more about water in God's world today The forty brief chapters make this an ideal book to read and discuss during the forty days of Lent *Writing the Icon of the Heart* Maggie Ross, 2013-02-13 The subtitle of Maggie Ross's new book captures its essence for it is about silence and our need to behold God Beholding is a notion that we are in danger of losing It is often lost in translation even by the NRSV and the Jerusalem Bible Beholding needs to be recovered both in theology and practice Ross is very aware of poor talkative Christianity There is a twofold plea to enter into silence for lack of silence erodes our humanity and to behold the radiance of God This is a book full of deep questioning and the testing of our assumptions Throughout there is a great love for the world and for our humanity accompanied by sadness that we are so easily distracted We are invited into a silence that is not necessarily an absence of noise but is a limitless interior space Ancient texts are used in new and exciting ways and many of our worship practices are challenged She is in no doubt that the glory of the human being is the beholding of God adapted from a review in *The Church Times* London by Canon David Adam

The Spirit, the Affections, and the Christian Tradition Dale M Coulter, Amos Yong, 2016-10-15 The essays in this volume explore the role of emotions and affections in the Christian tradition focusing also on the importance of pneumatology in Christianity *Clearing the Path* Stephen Parker, 2015-05-15 Stephen Parker has produced a profound explication of the psychological dimension of Yoga from the standpoint of classical Raja yoga I would recommend *Clearing the Path* for all

students of Yoga and meditation who truly aspire to a deeper level of practice David Frawley
