Reconstructing Metaphorical Metaphysics in Traditional Chinese Philosophy Derong Chen, 2023-11-15 Based on the influential metaphysical concepts of yin yang dao and li in traditional Chinese philosophy and a clarification of their metaphysical objects methods and purpose *Reconstructing Metaphorical Metaphysics in Traditional Chinese Philosophy* Meta One and Harmony proposes three new metaphysical categories Meta One Multi One and Utter One These categories describe three dynamic stages of development which are associated with four dynamical models of harmony potential and factual temporary and permanent partial and full harmonies and four models of static harmonies unitary binary ternary and multiple In order to outline methodological principles for metaphorical metaphysics Derong Chen classifies general metaphysical methods into direct vs indirect positive vs negative and logical vs metaphorical methods and establishes various methodological principles based on the features of Meta One Multi One and Utter One respectively Chen argues that this new system of metaphorical metaphysics is rooted in and developed from traditional Chinese philosophy and is the metaphysical foundation of natural social political ethical moral philosophy and aesthetics in the twenty first century

A History of Chinese Philosophy Youlan Feng, 1952

A Concise History of Chinese Philosophy Qi Feng, Weiping Chen, 2023-07-03 This book is an abridged version of Feng Qi's two major works on the history of philosophy *The Logical Development of Ancient Chinese Philosophy* and *The Revolutionary Course of Modern Chinese Philosophy* It is a comprehensive history of Chinese philosophy taking the reader from ancient times to the year 1949 It illuminates the characteristics of traditional Chinese philosophy from the broader vantage point of epistemology The book revolves around important debates including those on Heaven and humankind tian ren names and actualities mingshi principle and vital force liqi the Way and visible things daoqi mind and matter things xinwu and knowledge and action zhixing Through discussion of these debates the course of Chinese philosophy unfolds Modern Chinese philosophy has made landmark achievements in the development of historical and epistemological theory namely the dynamic and revolutionary theory of reflection However modern Chinese philosophy is yet to construct a systematic overview of logic and methodology as well as questions of human freedom and ideals Amid this discussion the question of how contemporary China is to take the baton from the thinkers of the modern philosophical revolution is addressed

Encyclopedia of Chinese History Michael Dillon, 2016-12-01 China has become accessible to the west in the last twenty years in a way that was not possible in the previous thirty The number of westerners travelling to China to study for business or for tourism has increased dramatically and there has been a corresponding increase in interest in Chinese culture society and economy and increasing coverage of

contemporary China in the media Our understanding of China's history has also been evolving The study of history in the People's Republic of China during the Mao Zedong period was strictly regulated and primary sources were rarely available to westerners or even to most Chinese historians Now that the Chinese archives are open to researchers there is a growing body of academic expertise on history in China that is open to western analysis and historical methods This has in many ways changed the way that Chinese history particularly the modern period is viewed The Encyclopedia of Chinese History covers the entire span of Chinese history from the period known primarily through archaeology to the present day Treating Chinese history in the broadest sense the Encyclopedia includes coverage of the frontier regions of Manchuria Mongolia Xinjiang and Tibet that have played such an important role in the history of China Proper and will also include material on Taiwan and on the Chinese diaspora In A Z format with entries written by experts in the field of Chinese Studies the Encyclopedia will be an invaluable resource for students of Chinese history politics and culture
