

THE FREE OFFER OF THE GOSPEL

DR. WILLIAM YOUNG

The Free Offer Of The Gospel

John Murray, Ned Bernard Stonehouse

The Free Offer Of The Gospel:

The Free Offer of the Gospel John Murray, 2002-02 What is God's attitude towards those who hear the Gospel? Does God desire the salvation of all? In this careful and scholarly work John Murray 1898-1975, formerly Professor of Systematic Theology at Westminster Seminary, surveys the biblical evidence. He shows how the offer of Christ in the gospel demonstrates an ardent desire in the heart of God that all who hear should possess Christ and enjoy the salvation that is in him. **Free**

Offer of the Gospel John Murray, Ned Bernard Stonehouse, 1949-01-01 **The Free Offer of the Gospel** Erroll

Hulse, 1973 The Crux of the Free Offer of the Gospel Samuel E. Waldron, 2019 *Some Further Objections to the Free Offer of the Gospel* Ronald Hanko, 2013 **The Gospel Offer Is Free** David H. J. Gay, 2012 Does God command all sinners to repent and believe? Does God desire the salvation of all sinners? Yes, says the Bible, yes to both questions. But many who love the doctrines of grace are confused. They think God's absolute sovereignty in election, Christ's particular redemption of the elect, and the Holy Spirit's specific application of that redemption to the elect, conflicts with the free offer. It does not. Such things, if you doubt it, read this book. The argument is no trifling matter, no splitting of hairs. The free offer is the biblical way of preaching the gospel. Today we see the grievous consequences of too little preaching the gospel as it ought to be preached. How the gold has become dim. Lam 4:1. Within these pages, therefore, you will come across no apology for the free offer, no mere defence of it. Quite the reverse. You will find that the free offer is a vital part of God's free grace, and that a return to the preaching of it in the biblical way is one of the great needs of the hour. The Evangelical repository. Vol. 1- new, 1868

The Presbyterian Philosopher Douglas J. Douma, 2017-01-24 This is the story of Gordon Clark 1902-85, a respected philosopher and prolific writer who held that Christianity as a logically coherent system is superior to all other philosophies. Clark fought no wars and conquered no kingdoms. Yet he was a leading figure in many theological wars fought for the Kingdom of God. These battles for the minds and souls of men were every bit as crucial as physical wars between nations. In an age of increasing secularization, he put up an intellectual defense of the Christian faith. This faith, he believed, was a system. All of its parts link together, a luxury of no other philosophy. His stance shows a Christianity that is, in fact, intellectual, not relying on appeals to emotion or experience. In propounding this view, he encountered frequent opposition, not from the secular world but from within his own denomination. This biography helps explain why his thought was so profound, why resistance mounted against him, and how his struggles impacted American Presbyterianism. Additionally, this book calls for a reappraisal of Clark's views, which have been maligned by controversy. Understanding and applying his views could significantly fortify Christians combating irrational and non-systematic ideas prevalent in today's churches. **Calvinism** Brad J. Waggoner, E. Ray Clendenen, 2008-06-01 What impact is the Calvinist/non-Calvinist debate having on the Southern Baptist Convention today? This book holds a theological conversation between followers of Christ about issues on which they often disagree. And while such controversial points of doctrine cannot be ignored, neither should they put up impenetrable

walls between groups that are committed to the same essential Christian beliefs Calvinism A Southern Baptist Dialogue brings together new presentations from noted Southern Baptists including Daniel Akin Tom Ascol David Dockery Charles Lawless and Ed Stetzer that address misperceptions stereotypes and caricatures of the debate over Reformed theology Each strives to speak the truth in love and humility while seeking clarity in the presentation of the Gospel improving the health of our churches and seeking the kingdom of Christ above all Endorsements What do we have to agree on The doctrines of what it means for us to be lost and of how we are saved could not be more important This book explores how much we can disagree over these things and still work together If you care about both evangelistic cooperation and doctrinal integrity this book is a book for you Mark Dever pastor Capitol Hill Baptist Church and president of 9Marks org **Herman Hoeksema: A Theological Biography** Patrick Baskwell, 2009-07-01 The historic development of the theology of Herman Hoeksema presented as a biography by Dr Patrick Baskwell Theology Professor at ST Petersburg Theological Seminary 334 pages paperback
