Different by Design John MacArthur, 1994 Created Male and Female Almost without notice our homes and churches have become the newest laboratory for sex role experimentation Lured by the world's acceptance and a national obsession with fairness we've replaced the once clear biblical boundaries between men and women with a confusing frighteningly secular hybrid The harmony and effectiveness we were promised never came only a treacherous rift that is ruining marriages dividing families and splitting churches top to bottom Different by Design offers hope for bridging that gap and finding fulfillment and success in your family and church In his thorough no nonsense style John MacArthur sets aside prevailing cultural standards and helps you understand and apply the biblical principles for men's and women's roles Discover the beauty balance and benefits of God's unique role for you in this practical well researched tool one you'll turn to again and again The MacArthur Study Series is designed to help Christians better understand and apply the Bible by better understanding some of its key truths and doctrines
