**Sketch** ,1921 **Street Wars** Walter Bailey,2014-05-19 I was born and raised in the City of Philadelphia PA the City known famously throughout the world as the City of Brotherly Love But for me growing up as a young boy and countless others it was a City more infamously known as the City of Brotherly Hate It was during the late 60s a time that will live with me for the rest of my life A time of great music the Temptations the Supremes Smokey Robinson and the Miracles just to name a few A time world history was being made by men like Buzz Aldrin of Apollo 11 landing upon the Moon A time the world would suffer the tragic loss of three great men the assassination of Dr Martin Luther King President John F Kennedy and his brother Robert F Kennedy And also a time when street gangs of Philadelphia plagued the city with death and violence I was a part of that gang culture I was a member of one of the largest gangs in West Philadelphia the 56th Cedar Avenue gang A violent gang of sociopathic drug addicts alcoholics and killers They were my family my friends my peers my gang members and some my heros I make no excuses for my being a part of this violent gang culture There were no Doctors lawyers or wealthy business men who lived in my neighborhood The people who had the wealth the money the finer things in life were the Pimps the Hustlers the Drug dealers They were the people I admired the most and I wanted to be just like them And so I would spend the most part of my youth in a world of street hustling drug dealing and most of all in a gang of violence and death This is not just my story it is the story of countless others who are no longer here to tell it I by the grace of God did survive and I am compelled to tell this true story Not just for myself but for the countless others who did not survive the violence of

street gangs And for anyone else my story may save from a world of violence and death      **Hasta La Flip Flops!** Louie O'Brien,2016-03-02 Hasta La Flip Flops is the hilarious sometimes heartbreaking story of Louie The Lip O'Brien a face on the club scene of Palma Mallorca from 1967 until the early 90s and in his own way a legend Louie's story begins when young people tasted freedom in the sun for the first time and a revolution was quietly taking place in Majorca But it ends in darkness when for Louie who believed he'd found paradise in the sun forever the party is over A real page turner Hasta La Flip Flops also uncovers a side of Majorca and Spain never really explored before      Never Stop Laughing! William Goodman,2010-03-11 For a happier healthier life add more smiles laughs and humor That prescription is based on the entertaining talks Dr Goodman has been giving for the past 20 years In support of this lofty goal he supplies a generous helping of practical ideas and inspiring true stories His message is serious his method is lighthearted      The 'G' Factor George Grubisha,2001-04-12 The G Factor was never spelled out in so many words This was a code name whose significance was known only to my employer and me for the expected reward discreetly given to a facilitator who brokered the sale of aircraft for their respective governments agencies companies or clients I never showed in the bills of sale and was therefore untraceable to the recipients and it was buried in the legalese of our contracts to balance our own books In other words the G Factor was more often than not the critical success factor of any major negotiation but it depended on instinct to know when how how much and to whom it should or should not be offered A wrong guess could blow a major deal Like another George of historical renown who said I cannot tell a lie neither can I so the tales I am about to tell about the world of intrigue I have experienced and how the mighty rise and fall are absolutely true They are my moments in time based on a lifetime of memories
