Love's Sacred Order Erasmo Leiva-Merikakis, 2000-01-01 When seeking to understand Christian love with some precision we inevitably come to speak about order in loving The title of this book Love s Sacred Order is intended to address the problem of the need for clarification in the matter of love above all the question of the relationship among the different kinds of love all of which make their legitimate claim on us A central concern of these reflections is the fact that we can do as much harm to ourselves by being too restrictive as by being too permissive in what we allow to come under the heading of Christian love The main intent of these meditations is to explore what the hierarchy might be that God established among all our human loves on the one hand and between these and the gratuitously revealed love of God that uncreated mystery kept secret for long ages to which we could not have had access if God himself had not taken the initiative to manifest it in Christ Jesus

The Four Loves C. S. Lewis, 2023-11-20 *The Four Loves* is a 1960 book by C S Lewis which explores the nature of love from a Christian and philosophical perspective through thought experiments The book was based on a set of radio talks from 1958 which had been criticized in the U S at the time for their frankness about sex C S Lewis examines storge or empathy love philia friendship love eros romantic love and agape

or God love Excerpt GOD is love says St John When I first tried to write this book I thought that his maxim would provide me with a very plain highroad through the whole subject I thought I should be able to say that human loves deserved to be called loves at all just in so far as they resembled that Love which is God *Summary of C. S. Lewis' The Four Loves* Everest Media,2022-07-02T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 We must be careful not to call Need love mere selfishness We do violence to language and our understanding of it if we do not call Need love love We must also be cautious about calling Need love mere selfishness 2 The second thing we must consider is man s spiritual health which is exactly proportional to his love for God Man s love for God is always largely a Need love And when we face the paradox that man is most like God when he is most unlike God we see that they do not necessarily coincide 3 The fact that God is omnipotent sovereign and creative means that He is also blessed with happiness strength freedom and fertility These gifts do not have any necessary connection with our sanctification 4 The natural loves when they are in their best condition tend to claim a divine authority When they are what our grandfathers called pure or noble their voice sounds as if it were the will of God Himself **Agape and the Four Loves with Nietzsche, Father, and Q** David L.

Goicoechea,2013-03-13 Goicoechea explains Nietzsche s thesis that the agapeic love of Jesus is humankind s highest affirmation even for sinners like the author s father Joe Goicoechea who lived it out existentially Already before the Q scholars Nietzsche saw this love as the essence of the Sermon on the Mount and based his philosophy upon it Throughout the Catholic tradition agape fulfilled the affection of Empedocles the eros of Plato the friendship of Aristotle and the agape of Plotinus While as Anders Nygren shows modernists protested such syntheses now postmodernists once again let agape and the four loves contribute to one another **The Four Loves; Affection; Eros; Friendship; Charity** C.S. Lewis,1960

The Question of God Armand Nicholi,2003-08-07 Compares and contrasts the beliefs of two famous thinkers Sigmund Freud and C S Lewis on topics ranging from the existence of God and morality to pain and suffering
