The Funny Book of Sex K. Sullivan, 2005-02-01 Discovering Statistics Using SPSS Andy Field, 2009-01-21 In this brilliant new edition Andy Field has introduced important new introductory material on statistics that the student will need and was missing at least in the first edition This book is the best blend that I know of a textbook in statistics and a manual on SPSS It is a balanced composite of both topics using SPSS to illustrate important statistical material and through graphics to make visible important approaches to data analysis There are many places in the book where I had to laugh and that s saying a lot for a book on statistics His excellent style engages the reader and makes reading about statistics fun David C Howell Professor Emeritus University of Vermont USA This award winning text now fully updated with SPSS Statistics is the only book on statistics that you will need Fully revised and restructured this new edition is even more accessible as it now takes students through from introductory to advanced level concepts all the while grounding knowledge through the use of SPSS Statistics Andy Field s humorous and self deprecating style and the book s host of characters make the journey entertaining as well as educational While still providing a very comprehensive collection of statistical methods tests and procedures and packed with examples and self assessment tests to reinforce knowledge the new edition now also offers a more gentle

introduction to basic level concepts and methods for beginners new textbook features to make the book more user friendly for those learning about more advanced concepts encouraging critical thinking a brand new full colour design making it easy for students to navigate between topics and to understand how to use the latest version of SPSS Statistics both real world the bizarre and the wonderful and invented examples illustrate the concepts and make the techniques come alive for students an additional chapter on multilevel modelling for advanced level students reinforced binding to make the book easier to handle at a computer workstation The book also includes access to a brand new and improved companion Website bursting with features including animated SPSS walk through videos clearly demonstrating how to use the latest SPSS Statistics modules self marking multiple choice questions data sets for psychology business and management and health sciences a flash card glossary for testing knowledge of key concepts access to support material from SAGE study skills books Statistics lecturers are also provided with a whole range of resources and teaching aids including the test bank over 300 multiple choice questions ready to upload to WebCT Blackboard or other virtual learning environments charts and diagrams in electronic format for inclusion in lecture slides PowerPoint slides written by the author to accompany chapters of the text

Love, Sex and Funny Business Tomas Ahlbeck & John Davies, 2009-12-08 A story about travellers in Geography Time and Space A story about the Inner Secrets of Life Spiced up with some sex This comedy novel introduces a man that looks like Bryan Ferry talking mushrooms and Little Miss Muffet And Mr Muffet as well At least the authors have a strong memory of that But I would not take their words for it A co production between Swedish and Welch insanities this book is the result If you like The Goon Show League of Gentlemen or Mighty Boosh you ll love this book

Seriously Funny Gerald Nachman, 2009-08-26 The comedians of the 1950s and 1960s were a totally different breed of relevant revolutionary performer from any that came before or after comics whose humor did much more than pry guffaws out of audiences Gerald Nachman presents the stories of the groundbreaking comedy stars of those years each one a cultural harbinger Mort Sahl of a new political cynicism Lenny Bruce of the sexual drug and language revolution Dick Gregory of racial unrest Bill Cosby and Godfrey Cambridge of racial harmony Phyllis Diller of housewifely complaint Mike Nichols Elaine May and Woody Allen of self analytical angst and a rearrangement of male female relations Stan Freberg and Bob Newhart of encroaching pervasive pop media manipulation and in the case of Bob Elliott Ray Goulding of the banalities of broadcasting Mel Brooks of the Yiddishization of American comedy Sid Caesar of a new awareness of the satirical possibilities of television Joan Rivers of the obsessive craving for celebrity gossip and of a latent bitchy sensibility Tom Lehrer of the inane hypocritical mawkishly sentimental nature of hallowed American folkways and in the case of the Smothers Brothers of overly revered folk songs and folklore Steve Allen of the late night talk show as a force in American comedy David Frye and Vaughn Meader of the merger of showbiz and politics and along with Will Jordan of stretching the boundaries of mimicry Shelley Berman of a generation of obsessively self confessional humor Jonathan Winters and Jean Shepherd of the daring new free form improvisational comedy and of a

sardonically updated view of Midwestern archetypes Ernie Kovacs of surreal visual effects and the unbounded vistas of video Taken together they made up the faculty of a new school of vigorous socially aware satire a vibrant group of voices that reigned from approximately 1953 to 1965 Nachman shines a flashlight into the corners of these comedians chaotic and often troubled lives illuminating their genius as well as their demons damaged souls and desperate drive His exhaustive research and intimate interviews reveal characters that are intriguing and all too human full of rich stories confessions regrets and traumas Seriously Funny is at once a dazzling cultural history and a joyous celebration of an extraordinary era in American comedy

A Funny Thing Happened on the Way to Senility Jerry Page, 2020-08-16 This book has been percolating in my subconscious for more than 70 years It may have mellowed a little over the years but has lost little of its relevance or bite As one of the premiere procrastinators of this and over half of the last century I put it off as long as I could but finally acquiesced and the final product is now in your hands If not for political correctness the book would be longer and possibly less relative Jokes are multi dimensional For everyone they delight they piss somebody off It s a zero sum game and we each identify with one side or the other I found myself single again about 4 years ago and moved half way across the state One of the main advantages of a major move is that a brand new audience is right at hand Over the last few years quite a few of my new acquaintances have been telling me that I should write a joke book and here it is

Seriously Funny Barbara Hamby, David Kirby, 2010 Can serious poetry be funny Chaucer and Shakespeare would say yes and so do the authors of these 187 poems that address timeless concerns but that also include comic elements Beginning with the Beats and the New York School and continuing with both marquee name poets and newcomers Seriously Funny ranges from poems that are capsized by their own tomfoolery to those that glow with quiet wit to ones in which a laugh erupts in the midst of terrible darkness Most of the selections were made in the editors battered compact car otherwise known as the Seriously Funny Mobile Unit During the two years in which Barbara Hamby and David Kirby made their choices they d set out with a couple of boxes of books in the back seat and whoever wasn t driving read to the other When they found that a poem made both of them think but laugh as well they earmarked it Readers will find a true generosity in these poems an eagerness to share ideas and emotions and also to entertain The singer Ali Farka Tour said that honey is never good when it s only in one mouth and the editors of Seriously Funny hope its readers find much to share with others

The Drop Dead Funny '70s Dan Lalande, 2023-08-04 This work offers a critical examination of 130 commercially released film comedies of the 1970s It considers the socio political circumstances of each year of the decade then critiques each film released that year with a focus on its effect on the film industry and the art of big screen comedy as well as the emergence of talents whose work influenced or was influenced by the zeitgeist of the decade Covering popular titles like M A S H Blazing Saddles American Graffiti The Bad News Bears Smokey and the Bandit and many more it argues that the 1970s may rightly be considered the last golden age of film comedy
