MOTT, 2018 **FUTURE LEADERSHIP OF THE CHURCH** John Raleigh 1865-1955 Mott, 2016-08-26 **The Future Leadership of the Church** John R. Mott, 2014-03 This Is A New Release Of The Original 1911 Edition **The Future of Religious Leadership** Alon Goshen-Gottstein, 2018-08-08

The chapters collected in this book prepared by a think tank of the Elijah Interfaith Academy address the subject of religious leadership. The subject is of broad relevance in the training of religious leaders and in the practice of religious leadership. As such it is also germane to religious thought where reflections on religious leadership occupy an important place. What does it mean to be a religious leader in today's world? To what degree are the challenges that confront religious leadership today the same perennial challenges that have arrested the attention of the faithful and their leaders for generations and to what degree do we encounter challenges today that are unique to our day and age? One dimension is surely unique and that is the very ability to explore these issues from an interreligious perspective and to consider challenges, opportunities and strategies across religious traditions. Studying the theme across six faith traditions: Christianity, Islam, Judaism, Sikhism, Hinduism and Buddhism. *The Future of Religious Leadership: World Religions in Conversation* recognizes the common challenges to present day religious leadership. Contributors: Awet Andemicael, Timothy J. Gianotti, Alon Goshen-Gottstein, Anantanand Rambachan, Maria Reis, Habito Meir, Sendor Balwant Singh, Dhillon, Miroslav Volf.

The Future of the United Methodist Church Scott J. Jones, Bruce R. Ough, 2010. This book offers a renewed vision and practical steps for United Methodists to work together in mission and ministry. These bishops of The United Methodist Church urge congregations to stand together under God's grace to lead others to vibrant faith, steadfast hope and joyful living. The authors call for a new partnership with God to bring God's reign to fruition for all God's people. With concrete guidance about how to create and transform disciples, readers are invited to travel the path that leads to the abundant living that Jesus talked about. This book will also inspire and motivate congregations to work together to be a vibrant presence in their neighborhoods and communities. The Seven Pathways were created by the United Methodist bishops and presented at the 2008 General Conference as a vision statement for the Church. Contributors include Bishops Sharon Brown, Christopher Gregory Vaughn, Palmer G. Lindsey Davis, Robert Schnase, Scott J. Jones, Hee Soo Jung, E. James Swanson, Sr. Minerva G. Carcano, Thomas J. Bickerton and Bruce R. Ough. The seven pathways are: Planting New Congregations, Transforming Existing Congregations, Teaching the United Methodist Way, Strengthening Clergy and Lay Leadership, Children and Poverty, Expanding Racial/Ethnic Ministries, and Eliminating Poverty by stamping out disease.

95 Questions to Shape the Future of Your Church Thomas G. Bandy, 2011-12-01. *95 Questions to Shape the Future of Your Church* is a comprehensive commentary on systemic change for the church. It combines the spirit of Luther's 95 Theses with depth of insight akin to Luther's reformation catechism. This book will be essential for every congregational

The Future Shapes of Anglicanism Martyn Percy, 2017-01-06 To many people the Church of England and worldwide Anglican Communion has the aura of an institution that is dislocated and adrift Buffeted by tempestuous and stormy debates on sexuality gender authority and power to say nothing of priorities in mission and ministry and the leadership and management of the church a once confident Anglicanism appears to be anxious and vulnerable The Future Shape of Anglicanism offers a constructive and critical engagement with the currents and contours that have brought the church to this point It assesses and evaluates the forces now shaping the church and challenges them culturally critically and theologically The Future Shape of Anglicanism engages with the church of the present that is simultaneously dissenting and loyal as well as critical and constructive For all who are engaged in ecclesiological investigations and for those who study the Church of England and the wider Anglican Communion this book offers new maps and charts for the present and future It is an essential companion and guide to some of the movements and forces that are currently shaping the church

A Future for the Latino Church Daniel A. Rodriguez, 2011-05-04 Daniel Rodriguez argues that effective Latino ministry and church planting is now centered in second generation English dominant leadership and congregations Based on his observation of cutting edge Latino churches across the country Rodriguez reports on how innovative congregations are ministering creatively to the next generations of Latinos
