

Singularity

Earth, our infinitely miraculous abode;
Where nature has spawned,
a bewildering array of
diverse wondrous souls.

Like the Salmon run,
to the rivers of its birth.
And the Blue Whales,
that migrate thousands of miles
through the oceans.
Beavers and Termites,
Undoubtedly,
the best 'self-taught' engineers on Earth.

And the most devoted parent of all,
Emperor Penguins on the South Pole.
Majestic geese flying around the globe,
In the original version of Peloton.
Teamwork like the pack of wolves;
Dolphins' use of Sonar to hunt;
Peacocks enchanting dance;
Flamingoes and
their enduring romance.

And the insignificant ant,
that can lift thousand times its own weight.
Magnificent Polar bears and their ability to hibernate
Electricity generating eel;
'Pole to Pole' commuting Arctic Tern;
Lantern fish and its bioluminescence.
And the grandest flying machine of all,
the Wandering Albatross.

Mankind have their own providence;
species on the path of self-destruction.
And the irony of this is not lost,
We humans consider ourselves,
The most evolved!

Poetry as Testimony Antony Rowland,2014-03-26 This book analyzes Holocaust poetry war poetry working class poetry and 9 11 poetry as forms of testimony Rowland argues that testamentary poetry requires a different approach to traditional ways of dealing with poems due to the pressure of the metatext the original traumatic events the poems demands for the hyper attentiveness of the reader and a paradox of identification that often draws the reader towards identifying with the poet s experience but then reminds them of its sublimity He engages with the work of a diverse range of twentieth century authors and across the literature of several countries even uncovering new archival material The study ends with an analysis of the poetry of 9 11 engaging with the idea that it typifies a new era of testimony where global secondary witnesses react to a proliferation of media images This book ranges across the literature of several countries cultures and historical events in order to stress the large variety of contexts in which poetry has functioned productively as a form of testimony and to note the importance of the availability of translations to the formation of literary canons
