St. Nicholas Mary Mapes Dodge,1916 **Merchants Trade Journal** ,1916 Die Neueren Sprachen ,1926 *The England Operation* Peter Swarbrick,2012-05 In the year 1141 civil war rages in England Robber barons pillage and loot while rampaging armies terrorise the countryside But never fear the peacekeepers are coming The Organisation of Nations of the World known in Latin as ONO launches the England Operation to sort everything out In this world turned upside down satirical take on the peacekeeping industry rich and powerful African businesswomen and politicians collude with Norman overlords to steal England s most valuable natural resource sheep as the hapless international troops who are supposed to stop the war sink ever deeper into the swamp of violence and corruption that is twelfth century England **The Unwanted Child** John D. Mccray,2024-04-30 Tayvon Williams is a thirteen year old male that s lived a hard life growing up He finds out the truth about something that s been hidden from him his entire life Tayvon decides that his life is worth more than what people gave him credit for and he s out to prove everyone wrong in spite of all the obstacles he has to face Tayvon meets Ms Lena Hardin a thirty six year old cafeteria worker that has a great influence on his life They take a strong interest in each other s lives and realize that they have endured the same kind of hurt and pain growing up There s a reason why God has put these two in each other s lives because they will end up needing each other more than they realized Before the Fall William Gardner,2017-09-29 William Safire was a speechwriter for Richard Nixon from 1968 to 1973 During that time as a Washington insider Safire was able to observe the thirty seventh president in his entirety as noble and mean spirited as good and bad as a man desirous of greatness Rarely has there been a White House memoir more intimate or revealing in its exploration of the great events that took place before the fall of Watergate In this anecdotal history Nixon and his associates come alive not as caricatures but as men with high and low purpose Henry Kissinger William Rogers H R Bob Haldeman John Ehrlichman Charles Colson and Arthur Burns struggle not just for power but for ideals As William Safire says in his Prologue In this memoir which is neither a biography of Nixon nor an autobiography of me nor a narrative history of our times there is an attempt to figure out what was good and bad about him what he was trying to do and how well he succeeded how he used and affected some of the people around him and an effort not to lose sight of all that went right in examining what went wrong The book is divided into ten sections in which run three main themes the President the Partisan and the Person As a president Safire discusses Nixon and the Vietnam War foreign policy economics and race relations As a partisan he discusses Nixon s attempt to form an alignment across party lines successful in many respects before the president tolerated the excesses that eventually corrupted his administration And as a person Safire finds that Nixon was a mixture of Woodrow Wilson Machiavelli Theodore Roosevelt and Shakespeare s Cassius an idealistic conniver evoking the strenuous life while he thinks too much This paperback edition of a classic primary source for historians includes a new introduction by its author Studded with direct quotations that put the reader in the room where history was being made Before the Fall is a realistic
