bait or lure He debunks the vaunted effectiveness of the artificial nymph explores the best methods of wet and dry fly fishing and tests his theories against such gamefish as trout smallmouth bass landlocked salmon walleyes and northern pike There is something here for everyone who fishes including a persuasive argument that the average angler anywhere in the country can invariably find superb fishing within an hour's drive of his home Skyhorse Publishing is proud to publish a broad range of books for fishermen Our books for anglers include titles that focus on fly fishing bait fishing fly casting spin casting deep sea fishing and surf fishing Our books offer both practical advice on tackle techniques knots and more as well as lyrical prose on fishing for bass trout salmon crappie baitfish catfish and more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home
