Foster, 2005-08-01 La oración es una relación de amor con Dios He aquí un amplio y profundo análisis de la práctica de la oración Richard Foster explora sus muchas facetas desde los aspectos más comunes hasta los más extraordinarios y describe la oración como una jornada de transformaciones interiores como senda que nos conduce a Dios y al ministerio Al hacerlo echa mano a las riquezas de los grandes clásicos de la oración a través de la historia y de su propia

experiencia fuertemente arraigada en la Biblia Nadie leer LA ORACIÓN sin experimentar un cambio en su vida Todos encontraremos aliento en sus páginas El ministerio de la oración se convertirá en una fuente de poder La posibilidad de una profunda experiencia con la oración quedar a nuestro alcance **Selections from Six Great Religions** ,1910 Our Church Mothers Gwen Ehrenborg,2021-09-21 Our Church Mothers contains seven first person letters from formidable historical women who crafted for themselves roles of strategic importance in the history of Christianity You will become personally familiar with Katharina Luther first lady of the Reformation Susanna Wesley the Mother of Methodism Catherine Booth co founder of the Salvation Army Mary the Mother of Jesus St Clare best friend of Francis of Assisi Mother Teresa of Calcutta and Judge Deborah as a forerunner You will be moved as you read these heroines letters written to encourage today's believers as they share their thoughts feelings and daring experiences as they were led by the Spirit of God Learn how these female leaders and their partners in ministry overcame tremendous challenges to bear fruit for the Kingdom of God Living in different countries centuries and cultures they certainly share admirable characteristics in sacrificially choosing to address ignored human needs they observe with exceptional faith and action A common theme among these women is that not only their own children but their constituents as well recognized them as exceptional Mother figures and as spiritual leaders anointed by God Each of these women were addressed as Mother even though three of them never had children by birth The five mothers who were also wives ably supported their husbands as helpmates while pursuing their own spiritual calling None of these women allowed negative social pressures to prevent them from achieving their ministry goals All seven women have name recognition today yet people are surprised to learn that Mother Teresa was actually an Irish nun born in Albania who became a citizen of India Did you know the monk Martin Luther at age 41 took a wife who was a 26 year old former nun who bore him 6 children or the Salvation Army founders William and Catherine Booth's love story rivals that of the Barrett Brownings and that Judge Deborah was the Joan of Arc of her day The writing style in each letter indicates a desire for a personal friendship between the author and their modern day reader as fellow believers When these ladies share the fruitful work of God in their lives they clearly hope to encourage others to believe they too can positively make a real change in their world for the benefit of others and the glory of God Let these heroic Mothers of the Faith inspire and challenge you to fulfill your destiny and unique service to Christ *The Navy Chaplain* ,1989
