I protest against a surrender of the navigation of the Mississippi River and would not if elected to the office of Governor agree to relinquish the right Tennessee has to the free navigation of that great inland sea if even the General Government should basely surrender its rights and the rights of the several Western and Northwestern States. Nor am I willing to recognize the act of Secession on the part of Florida, Louisiana, and Texas in any other light than that of dishonesty and treason meriting the scorn and contempt of the civilized world. I say this because of the vast amount of money paid by our Government to say nothing of the sacrifice of human life for the exclusive benefit of these three States. Louisiana purchased of France 15 000 000 interest paid 8 385 353. Florida purchased of Spain 5 000 000 interest paid 1 430 000. Texas boundary 10 000 000. Texas for indemnity 10 000 000. Texas for creditors last Congress 7 750 000. Indian expenses of all kinds 5 000 000 to purchase navy pay troops 5 000 000 all other expenditures 3 000 000. Mexican War 217 175 575 soldiers pensions and bounty lands 100 000 000. Florida War 100 000 000 soldiers pensions 7 000 000 to remove Indians 5 000 000 paid by treaty for New Mexico 15 000 000 paid to extinguish Indian titles 100 000 000 raid to Georgia 3 082 000 total cost 617 822 928. Ought these three rebellious States to be tolerated in their mad schemes of plunder and treason after costing the people of the other States six hundred and eighteen millions of dollars. I say No and as the Executive of this State I could never do an act that would in the remotest degree tolerate this wholesale

Sister States, Enemy States Kent Dollar, Larry Whiteaker, W. Calvin Dickinson, 2009-07-17

The fifteenth and sixteenth states to join the United States of America Kentucky and Tennessee were cut from a common cloth the rich region of the Ohio River Valley Abounding with mountainous regions and fertile farmlands these two slaveholding states were as closely tied to one another both culturally and economically as they were to the rest of the South Yet when the Civil War erupted Tennessee chose to secede while Kentucky remained part of the Union The residents of Kentucky and Tennessee felt the full impact of the fighting as warring armies crossed back and forth across their borders Due to Kentucky's strategic location both the Union and the Confederacy sought to control it throughout the war while Tennessee was second only to Virginia in the number of battles fought on its soil Additionally loyalties in each state were

closely divided between the Union and the Confederacy making wartime governance and personal relationships complex In *Sister States Enemy States The Civil War in Kentucky and Tennessee* editors Kent T Dollar Larry H Whiteaker and W Calvin Dickinson explore how the war affected these two crucial states and how they helped change the course of the war Essays by prominent Civil War historians including Benjamin Franklin Cooling Marion Lucas Tracy McKenzie and Kenneth Noe add new depth to aspects of the war not addressed elsewhere The collection opens by recounting each state s debate over secession detailing the divided loyalties in each as well as the overt conflict that simmered in East Tennessee The editors also spotlight the war s overlooked participants including common soldiers women refugees African American soldiers and guerrilla combatants The book concludes by analyzing the difficulties these states experienced in putting the war behind them The stories of Kentucky and Tennessee are a vital part of the larger narrative of the Civil War *Sister States Enemy States* offers fresh insights into the struggle that left a lasting mark on Kentuckians and Tennesseans just as it left its mark on the nation

William Lowndes Yancey and the Coming of the Civil War Eric H. Walther, 2006 By the 1850s Yancey was a key leader in the movement for disunion proclaiming himself the defender and embodiment of the South He defied Northern Democrats at their national nominating convention in 1860 rending the party and setting the stage for secession after the election of Abraham Lincoln Selected to introduce Jefferson Davis in Montgomery as the president elect of the Confederacy Yancey went on to serve as the Confederacy s first diplomatic commissioner to England and France and then as a senator from Alabama before his death in 1863 just short of his forty ninth birthday
