Schneider, 2012-12-15 Over the past thirty years narrative poems have made a comeback against the lyric approach to poetry that has dominated the past century Drawing on a decade of conferences and critical seminars on the topic The Contemporary Narrative Poem examines this resurgence of narrative and the cultural and literary forces motivating it Gathering ten essays from poet critics who write from a wide range of perspectives and address a wide range of works the collection transcends narrow conceptions of narrative antinarrative and metanarrative The authors ask several questions What formal strategies do recent narrative poems take What social cultural and epistemological issues are raised in such poems. How do contemporary narrative poems differ from modernist narrative poems. In what ways has history been incorporated into the recent narrative poetry How have poets used the lyric within narrative poems How do experimental poets redefine narrative itself through their work And what role does consciousness play in the contemporary narrative poem The answers they supply will engage every poet and student of poetry Love, Lucy April Lindner, 2015-01-27 While backpacking through Florence Italy during the summer before she heads off to college Lucy Sommersworth finds herself falling in love with the culture the architecture the food and Jesse Palladino a handsome street musician After a whirlwind romance Lucy returns home determined to move on from her vacation flirtation But just because summer is over doesn t mean Lucy and Jesse have to be does it In this stunning novel April Lindner perfectly captures the highs and lows of a summer love that might just be meant to last beyond the season Far from Over April Lindner, 2016-04-12 A captivating digital original companion novella to April Lindner's Love Lucy Jesse Palladino is used to
