**Technical Manual** United States. War Department, **Natural Object Recognition** Thomas M. Strat, 2012-12-06

Natural Object Recognition presents a totally new approach to the automation of scene understanding Rather than attempting to construct highly specialized algorithms for recognizing physical objects as is customary in modern computer vision research the application and subsequent evaluation of large numbers of relatively straightforward image processing routines is used to recognize natural features such as trees bushes and rocks The use of contextual information is the key to simplifying the problem to the extent that well understood algorithms give reliable results in ground level outdoor scenes

New Approaches to Chinese Word Formation Jerome Lee Packward, 1997 TRENDS IN LINGUISTICS is a series of books that open new perspectives in our understanding of language The series publishes state of the art work on core areas of linguistics across theoretical frameworks as well as studies that provide new insights by approaching language from an interdisciplinary perspective TRENDS IN LINGUISTICS considers itself a forum for cutting edge research based on solid empirical data on language in its various manifestations including sign languages It regards linguistic variation in its synchronic and diachronic dimensions as well as in its social contexts as important sources of insight for a better understanding of the design of linguistic systems and the ecology and evolution of language TRENDS IN LINGUISTICS publishes monographs and outstanding dissertations as well as edited volumes which provide the opportunity to address controversial topics from different empirical and theoretical viewpoints High quality standards are ensured through anonymous reviewing **The Constellations and Their History** Charles Whyte, 1928 *The Man Called Noon (Louis L'Amour's Lost Treasures)* Louis L'Amour, 2019-04-30 As part of the Louis L Amour s Lost Treasures series this edition contains exclusive bonus materials In one swift moment a fall wiped away his memory Now all he knew for certain was that someone wanted him dead and that he had better learn why But everywhere he turned there seemed to be more questions or people too willing to hide the truth behind a smoke screen of lies He had only the name he had been told was his own his mysterious skill with a gun and a link to a half million dollars worth of buried gold as evidence of his past life Was the treasure his Was he a thief A killer He didn t have the answers but he needed them soon Because what he still didn t know about himself others did and if he didn t unlock the secret of his past he wasn t going to have much of a future Louis L Amour s Lost Treasures is a project created to release some of the author s more unconventional manuscripts from the family archives In Louis L Amour s Lost Treasures Volumes 1 Beau L Amour takes the reader on a guided tour through many of the finished and unfinished short stories novels and treatments that his father was never able to publish during his lifetime L Amour s never before seen first novel No Traveller Returns faithfully completed for this program is a voyage into danger and violence on the high seas These exciting publications will be followed by Louis L Amour s Lost Treasures Volume 2 Additionally many beloved classics will be rereleased with an exclusive Lost Treasures postscript featuring previously
