Sky Burial An Epic Love Story Of Tibet:

Sky Burial Xinran, 2006-08-08 In 2002 Xinran's *Good Women of China* became an international bestseller revealing startling new truths about Chinese life to the West. Now she returns with an epic story of love, friendship, courage and sacrifice set in Chinese-occupied Tibet. Based on a true story, Xinran's extraordinary second book takes the reader right to the hidden heart of one of the world's most mysterious and inaccessible countries. In March 1958, Shu Wen learns that her husband, an idealistic army doctor, has died while serving in Tibet. Determined to find out what happened to him, she courageously sets off to join his regiment. But to her horror, instead of finding a Tibetan people happily welcoming their Chinese liberators as she expected, she walks into a bloody conflict with the Chinese, subject to terrifying attacks from Tibetan guerrillas. It seems that her husband may have died as a result of this clash of cultures, this disastrous misunderstanding. But before she can know his fate, she is taken hostage and embarks on a life-changing journey through the Tibetan countryside, a journey that will last twenty years and lead her to a deep appreciation of Tibet in all its beauty and brutality. Sadly, when she finally discovers the truth about her husband, she must carry her knowledge back to a China that, in her absence, has experienced the Cultural Revolution and changed beyond recognition.

Sky Burial Xinran Xue, 2008-10-10 In 1958, notified that her young husband, a doctor in the Chinese army, has been killed in action in Tibet, Shu Wen joins the army, determined to go to Tibet to uncover the truth, only to find herself alone in Tibet, embarking on a thirty-year nomadic odyssey that brings her back to a new China transformed by the Cultural Revolution in a poignant novel based on a true story. Reprint 15,000 first printing.

Sky Burial Xinran, 2004 In 1994, Xinran met a woman whose story was so extraordinary it came to obsess her. Of all the Chinese women that Xinran had interviewed for her radio programme, famous in China for its discussion of women's lives, Shu Wen had endured things far beyond the imagination of most people. For over thirty years, she had wandered the empty, silent mountains of north Tibet in search of her husband, a Chinese soldier who was missing in action. She had gone there in the 1950s as a young woman in her prime; she had returned to China grey-haired and utterly changed by her experiences. Shu Wen's life story, brilliantly recreated by Xinran, gives a unique, moving and unforgettable insight into the landscape, religion and nomads of Tibet. At the same time, it illuminates the complex and emotional relationship between the Tibetans and Chinese, uncovering the history that lies behind it. But above all, this is an epic love story, the tale of a woman who adored her husband so much she gave up everything she knew to travel thousands of miles to one of the most intimidating countries in the world.

Becoming China Jeanne-Marie Gescher, 2017-11-09 An account of China's past and present how a small group of people at the edges of the Yellow River evolved to become the state of China today Despite decades of a relatively open door relationship with the rest of the world China is still a mystery to many outside it How does China work what does it want why does it want it and what does its rise to global power mean for the rest of the world As the twenty first century looks set to be the stage for a battle about competing geopolitical ideals these are urgent questions for everyone with an interest in what the future might bring A world of its own China is both a microcosm and an amplification of questions and events in the wider world China's story offers us an opportunity to hold a mirror to ourselves to our own assumptions to our values and to our ideas about the most important question of all what it means to be human in the world of the state Epic in scope this is the story of how China became the state it is today and how its worldview is based on what has gone before Weaving together inspirations ideas wars and dreams Jeanne Marie Gescher reveals the heart of what it means to be Chinese and how the past impacts the present
