Carby, 2021-10-12 Winner of the British Academy's Nayef Al Rodhan Prize for Global Cultural Understanding 2020 Highly commended for PEN Hessell Tiltman Prize 2020 A haunting and evocative history of British empire told through one woman's family story Where are you from was the question hounding Hazel Carby as a girl in post war London One of the so called brown babies of the Windrush generation born to a Jamaican father and Welsh mother Carby's place in her home her neighbourhood and her country of birth was always in doubt Emerging from this setting Carby untangles the threads connecting members of her family in a web woven by the British Empire across the Atlantic We meet Carby's working class grandmother Beatrice a seamstress challenged by poverty and disease In England she was thrilled by the cosmopolitan fantasies of empire by cities built with slave trade profits and by street peddlers selling fashionable Jamaican delicacies In Jamaica we follow the lives of both the white Carbys and the black Carbys including Mary Ivey a free woman of colour whose children are fathered by Lilly Carby a British soldier who arrived in Jamaica in 1789 to be absorbed into the plantation aristocracy And we discover the hidden stories of Bridget and Nancy two women owned by Lilly who survived the Middle Passage from Africa to the Caribbean Moving between Jamaican plantations the hills of Devon the port cities of Bristol Cardiff and Kingston and the working class estates of South London Carby's family story is at once an intimate personal history and a sweeping summation of the violent entanglement of two islands In charting British empire's interweaving of capital and bodies public language and private feeling Carby will find herself reckoning with what she can tell what she can remember and what she can bear to know **The Story of the Congo Free State** Henry Wellington Wack, 2023-07-10 In *The Story of the Congo Free State* Henry Wellington Wack presents a comprehensive and unflinching account of the tumultuous history and exploitation of the Congo under colonial rule This work employs a critical narrative style interweaving historical documentation with vivid descriptions of the landscapes and people affected by the imperial project Wack delves into the economic motivations behind the establishment of the Congo Free State alongside the brutal realities of forced labor and violence providing readers with a deep understanding of the socio political context of late 19th and early 20th century colonialism Henry Wellington Wack a historian deeply engaged in colonial studies utilizes his extensive research and firsthand accounts to bring the challenges of the Congolese people to the forefront His background in anthropology and history coupled with a strong ethical commitment to social justice has undoubtedly shaped his perspective on the atrocities committed in the Congo Drawing from a variety of primary sources Wack aims to shed light on this often overlooked chapter of history emphasizing the need for accountability and remembrance This book is essential reading for
