L. Noorlander,2019-09-15 Heaven s Wrath explores the religious thought and religious rites of the early Dutch Atlantic world D L Noorlander argues that the Reformed Church and the West India Company forged and maintained a close union with considerable consequences across the seventeenth century Noorlander questions the core assumptions about why the Dutch failed to establish a durable empire in America He downplays the usual commercial explanations and places the focus instead on the tremendous expenses incurred in the Calvinist backed war and the Reformed Church s meticulous worried management of colonial affairs By pinpointing the issues that hampered the size and import of the Dutch Atlantic world Noorlander revises core notions about the organization and aims of the Dutch empire the culture of the West India Company and the very shape of Dutch society **Black on White** David R. Roediger,2010-03-31 In this thought provoking volume David R Roediger has brought together some of the most important black writers throughout history to explore the question What does it really mean to be white in America From folktales and slave narratives to contemporary essays poetry and fiction black writers have long been among America s keenest students of white consciousness and white behavior but until now much of this writing has been ignored Black on White reverses this trend by presenting the work of more than fifty major figures including James Baldwin Derrick Bell Ralph Ellison W E B Du Bois bell hooks Toni Morrison and Alice Walker to take a closer look at the many meanings of whiteness in our society Rich in irony artistry passion and common sense these reflections on what Langston Hughes called the ways of white folks illustrate how whiteness as a racial identity derives its meaning not as a biological category but as a social construct designed to uphold racial inequality Powerful and compelling Black on White provides a much needed perspective that is sure to have a major impact on the study of race and race relations in America **Heaven's Soldiers** Frank Marotti,2013-02-04 This book examines the community of free African Americans who lived in East Florida in the four decades leading up to the Civil War *Slaves of the Son of Heaven* Roy H.
