## **Sleeping Beauties:**

**Sleeping Beauties** Stephen King, Owen King, 2017-09-26 In this father son collaboration the authors tell the story of what might happen if women disappeared from the world of men Set in a small Appalachian town whose primary employer is a women s prison in a future so real and near it might be now something happens when women go to sleep They become shrouded in a cocoon like gauze If they are awakened if the gauze wrapping their bodies is disturbed or violated the women become feral and spectacularly violent While they sleep they go to another place The men of our world are abandoned left to their increasingly primal devices One woman however the mysterious Evie is immune to the blessing or curse of the sleeping disease Is Evie a medical anomaly to be studied or is she a demon who must be slain **Sleeping Beauties** Susanna Moore, 2013-06-26 Like her much acclaimed previous novels Susanna Moore s *Sleeping Beauties* is set in Hawaii whose shimmering beauty and melancholy traditions are both seductive and dangerously hard to leave Or so they prove for Clio who marries a well known Hollywood actor providing her with the promise of escape from the entanglements of island life

**The Corvette in the Barn** Tom Cotter, 2010-09-12 It s every car guy s fantasy to casually peer into a long forgotten garage or barn or warehouse and find the car he has searched for his whole life *Corvette in the Barn* is a collection of true often amazing stories and essays about car collectors and enthusiasts who have discovered unusual and desirable cars forgotten in all manner of locations from barns to old school junkyards to farmer s fields These are the stories that fuel the dreams of car collectors everywhere See Tom Cotter author of *Motorbooks In the Barn* series interviewed by Jay Leno on JayLenosGarage.com [http://www.jaylenosgarage.com/video/jays\\_book\\_club\\_the\\_hemi\\_in\\_the\\_barn\\_1237422](http://www.jaylenosgarage.com/video/jays_book_club_the_hemi_in_the_barn_1237422) **LIFE**, 1960-08-22 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE.com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use **Responsive**

**Environments** Allen Sayegh, Stefano Andreani, Harvard REAL Lab, 2020-02-08 The entanglement of physical contexts with digital environments is constantly changing our relationship with the surrounding space and creating new hybrid experiences These transformations pose complex design challenges and yet offer novel opportunities for the understanding and development of human centered built environments Drawing from a 5 year design research collaboration between the REAL Lab at Harvard GSD and the University of Bergamo this book unfolds the experiential facets of our technologically mediated relationship with space in the fields of architecture urbanism and art The book attempts to describe what makes an environment responsive in the form of a design manifesto introducing ten attributes or principles at both methodological and experiential levels Critically articulated from the perspective of leading experts scholars and professionals the ideas explored are unpacked through speculative urban visions and design concepts at different timeframes contexts and scales ranging from smart artifacts to smart cities *Becoming Metric-Wise* Ronald Rousseau, Leo Egghe, Raf Guns, 2018-01-02 *Becoming*

Metric Wise A Bibliometric Guide for Researchers aims to inform researchers about metrics so that they become aware of the evaluative techniques being applied to their scientific output Understanding these concepts will help them during their funding initiatives and in hiring and tenure The book not only describes what indicators do or are designed to do which is not always the same thing but also gives precise mathematical formulae so that indicators can be properly understood and evaluated Metrics have become a critical issue in science with widespread international discussion taking place on the subject across scientific journals and organizations As researchers should know the publication citation context the mathematical formulae of indicators being used by evaluating committees and their consequences and how such indicators might be misused this book provides an ideal tome on the topic Provides researchers with a detailed understanding of bibliometric indicators and their applications Empowers researchers looking to understand the indicators relevant to their work and careers Presents an informed and rounded picture of bibliometrics including the strengths and shortcomings of particular indicators Supplies the mathematics behind bibliometric indicators so they can be properly understood Written by authors with longstanding expertise who are considered global leaders in the field of bibliometrics Revival: Reality and Fiction in Modern Japanese Literature (1980) Noriko Mizuta Lippit, 2017-07-28 This title was first published in 1980 In twentieth century Japanese literature the opposition and interaction of realism and romanticism on the level of literary concepts and of Marxism and aestheticism including in part modernism on the level of literary ideology supplies a most vital basis for writers searching for new methods of literary expression fostering debates among the writers and creating the setting for active experimentation with style form and language This study is a result of an extended stay in the United States by the author who turned increasingly toward questioning and evaluating my own relation to Japan's literary heritage For Japanese who have witnessed at least intellectually the violent attraction to and rejection of foreign cultures of many of their predecessors in the Meiji Taisho and Showa eras and their final often sentimental and abstract glorification of the Japanese cultural heritage nihon kaiki return to Japan still presents enormously complex intellectual as well as emotional problems

**Need for Sleep** Lisa Pavlik-Malone, 2016-01-14 This book explores the influence of fairytale details and imagery on adult cognition It presents an exploration of possible changes in an individual's schematic representations that reflect certain artistic re-interpretations of the Sleeping Beauty fairytale including works of performance art fiction and film Integral to this cognitive change is what the author describes as being In A Boudoir state of mind in which daydreams and fantasies may soothe an individual enough to facilitate new understandings of beauty love and fate This book will be of interest to scholars and other researchers concerned with how cognition including psychology and the brain psychology and literature psychology and art philosophy of the mind and metaphor might relate specifically to understanding the subjective experience of daydreaming **Night** Jason Bahbak Mohaghegh, 2019-12-14 This short book engages the myriad dimensions of Night through ancient rituals medieval storytelling modern philosophy and futuristic images in order to explore the human
