**Boys of the Night** Darryl Wade,2002-11 Blue Ashes Jean-Paul Daoust,1999 Few taboos are left to incorporate into the literature of the gay world Nearly everything has been said sensationalized exploited done and redone sometimes well sometimes self indulgently But one taboo sex between adults and children has received little attention from serious writers for a very good reason most people gay or otherwise find it morally repugnant Incredibly Jean Paul Daoust has turned a relationship of this kind into hypnotic poetry The book is unique in its sensitivity to a universe of forbidden love and sex between a man in his early twenties and a boy of six and a half years The boy's age is used like a leitmotif recurring on nearly every page of the poem as though to remind the reader of how unique the experience is whether between straight persons or gay Because of the critical age difference between manhood and childhood it is not just another love story It is an epic melodrama of passion love betrayal and cruelty that is related here in obsessive often hallucinatory poetry but more importantly it is all seen through the eyes of a child who is not only a victim as we might readily suppose but an aggressor as well Gay literature will never be the same after this book Daniel Sloate *The Ultimate Guide to Celebrating Kids* Linda

LaTourelle,2004-05 A collection of poems quotes and titles to celebrate the younger child on cards scrapbooks and creative projects

**Beep Beep: On being a john** Henri Molineaux,2021-07-30 The author examines the controversial subject of the relationship between prostitutes and their customers from a different perspective from that of the john This book tells of how and why explorations lead to adventures that lead to drastic changes The telling is raw and vivid as the women conduct their business and the man ventures into their anomie world of sex drugs violence and homelessness As we dip into the lives of the women he dates the narrator's own troubled mind and history are revealed The buyer of the sex for hire service repeatedly follows his nature as he seeks to find love and romance there instead The otherwise intelligent and resilient man recognizes the folly in that and comes to think of these encounters as fantasy adventures separate and apart from the reality of his everyday life But he finds it increasingly difficult to keep fantasy separate from reality while the torment that ever permeates his being remains and travels with him as he ventures from one realm to the other The reader must always read between the lines to understand things that the narrator does not yet realize A Selection from the Poetry of Elizabeth Barrett
