

The Sociology of Sex and Gender

GENDER VARIANCE AND IDENTITY

Sociology Of Sex

Lisa Adkins, Janet Holland

Sociology Of Sex:

Sociology of Sex and Sexuality Gail Hawkes, 1996-03-16 A Sociology of Sex and Sexuality offers an historical sociological analysis of ideas about expressions of sexual desire combining both primary and secondary historical and theoretical material with original research and popular imagery in the contemporary context While some reference is made to the sexual ideology of Classical Antiquity and of early Christianity the major focus of the book is on the development of ideas about sex and sexuality in the context of modernity It questions the widespread assumption that the anxieties and fears associated with old sexual mores have been overcome in the late twentieth century context and asks whether the discourses of Queer sexual politics have successfully fractured the binary categories of heterosexuality and homosexuality A Sociology of Sex and Sexuality will be of interest to students in the fields of sociology sexual history gender studies and cultural studies *The Sociology of Sex* James M. Henslin, Edward Sagarin, 1978 **Webbed Connectivities** Vrushali Patil, 2022-08-30

Constructing a new approach for centering empire in productions of racialized gendered and sexualized difference One of the oldest most persistent issues in gender and sexuality studies is the dominance of white northern theorizing and its consequences for what we know about sex gender and sexuality There is an ongoing neglect of the significance of histories of empire and coloniality particularly in U S sociology where the United States and its theoretical productions are routinely sanitized of such histories In *Webbed Connectivities* Vrushali Patil offers a global historical sociology that reembeds the United States within histories of empire situating the emergence of northern and U S based concepts and frameworks squarely within these histories *Webbed Connectivities* intercepts the political economy of knowledge production within the social sciences to argue for the work of centering the role of imperial hierarchies in knowledge production and circulation Patil develops a new approach webbed connectivities which tracks imperial processes and impacts across borders shifting from an emphasis on particular experiences and identities to the constitution and creation of the categories themselves A sociologist of feminist thought and gender and sexuality studies Patil explores the theoretical spaces that spotlighting imperial hierarchies within knowledge production might open including making productive and essential connections across sites of the global south and north **New Sociologies of Sex Work** Kate Hardy, Sarah Kingston, 2016-05-06 Sex work studies have seen an expansion in publications over the past decade drawing together disciplines from across the social sciences namely sociology criminology and social policy There has however been a tendency for research and writing to focus on the more obvious aspect of the sex industry the visible elements of female street prostitution and those features which attract media attention such as the criminalised aspects of the sex trade The sex industry is diverse in terms of its organisation presentation participants and how it is located in the broader context of globalisation and regulation there is a need for publications which demonstrate this breadth This book makes an outstanding contribution to the sociology of sex work through advancing theoretical policy methodological and empirical ideas as each chapter pushes the boundaries of a

specific area by offering new and critical research as well as commentary **Handbook of the Sociology of Sexualities** John DeLamater, Rebecca F. Plante, 2015-06-19 This volume provides researchers and scholars with a broad overview of the contributions of social psychologists and sociologists to the study of sexual relationships and sexual expression across the life course These contributions include analyses of the dynamics of several types of contemporary sexual relationships e g short term long term non exclusive and committed Chapters analyze the influence of major social institutions e g religion family and economy on them The content and scope of this volume have been carefully chosen to balance coverage of traditional emphases dating marriage commercial sex work sex education with new and cutting edge materials embodiment Trans asexualities Sections review major theoretical perspectives and the principal research methods Coverage of sexual orientation is integrated throughout This volume provides excellent resources for anyone interested in research on sexualities *Sex Matters: The Sexuality and Society Reader (Fourth Edition)* Mindy Stomblor, Dawn M. Baunach, Wendy Simonds, Elroi J. Windsor, Elisabeth O. Burgess, 2013-10-16 The best selling sexualities reader in the social sciences Sex Matters The Sexuality and Society Reader has a strong sociological focus and a sex positive perspective With 38 new readings Sex Matters covers a wide and diverse range of sexual experiences and identities and tackles controversial issues in a straightforward nonstigmatizing manner The editors mix qualitative and quantitative empirical pieces sexual narratives and personalized accounts cutting edge research and articles from the popular press for a wealth of content and diverse perspectives **The Dominant Sex** Mathilde Vaerting, 2002-05 Are there masculine and feminine characteristics The answer given in this book is No The authors assert and cite chapter and verse to prove that those physical mental moral or social traits which we are wont to regard as masculine or feminine are simply those of the dominant sex that those we call feminine are merely the characteristics of the subordinated sex In various states at various times when woman was dominant she was possessed of most of the manly qualities and practiced the masculine customs She wooed the man and supported him she did hard physical work while he performed the household tasks and cared for the children she was polyandrous while the man was monogamous she was taller and stronger and in every way more influential than the man The authors conclude that no civilization can reach its highest form of development under a monosexual government and that the ideal government is one in which both sexes are absolutely equal Gender, Power and Sexuality Pamela Abbott, Claire Wallace, 2016-07-27 Gender Power and Sexuality is a collection of original and exciting articles by well known feminists which makes a major contribution to our understanding of the ways in which men exercise control over girls and women in their daily lives in the home at school at work and in the courts Women are seen to resent and challenge male power but the institutionalisation of male power is shown to mitigate against women taking control over their own lives *Sexual Conduct* William Simon, John Gagnon, 2011-12-31 The first edition of Sexual Conduct published in 1973 swiftly became a landmark text in the sociology of sexuality It went on to profoundly shape the ideas of several generations of scholars and has become the foundation text of

what is now known as the social constructionist approach to sexuality The present edition revised updated and containing new introductory and concluding materials introduces a classic text to a new generation of students and professionals Traditional views of human sexuality posit models of man and woman in which biological arrangements are translated into sociocultural imperatives This is best summarized in the phrase anatomy is destiny Consequently the almost exclusive concern has been with the power of biology and nature in sexual conduct as opposed to understanding the significance and impact of social life In *Sexual Conduct* Gagnon and Simon lucidly argue that sexual activities of all kinds may be understood as the outcome of a complex psychosocial process of development Using the social script theory the authors trace the ways in which sexuality is learned and fitted into particular moments in the lifecycle and in different modes of behavior *Sexual Conduct* is a major attempt to consider sexuality within a non biological social psychological framework It is a valuable addition to the study of human sexuality and will be of interest to students of sociology psychology psychiatry social work and medicine

Sex, Politics and Society Jeffrey Weeks, 2017-07-31 A pioneering study which has become an established classic in its field *Sex Politics and Society* provides a lucid and comprehensive analysis of the transformations of British sexual life from 1800 to the present These changes are firmly located in the wider context of British social political and cultural life from industrialization urbanisation and the impact of Empire and colonisation through the experience of economic disruption World Wars the establishment of the welfare state changing patterns of gender and the emergence of new sexual identities This book also charts the rise of both progressive and conservative social movements including feminism LGBT activism and fundamentalist movements It is a history where the past continues to live in the present and where the present provides ever more complex and often controversial patterns of sexual life with sexual and gender issues at the heart of contemporary politics Now fully revised and updated this edition examines key new developments including the impact of globalisation and the digital revolution gender nonconformity and the rise of transgender consciousness shifting family and relational patterns and new forms of intimacy changes in reproductive technology including the debates on IVF and surrogacy new discourses of equality and sexual rights for LGBT people the irresistible rise of same sex marriage the weakening of the heterosexual homosexual binary divide and the development of new lines of concern and divisions in the politics of sexuality Combining rich empirical detail with innovative theoretical insights *Sex Politics and Society* remains at the cutting edge of the subject and this fourth edition will inspire and provoke a whole new generation of readers in history sociology social policy and critical sexuality studies

Barbarism and Sexual Freedom A. Comfort, 1948

Sociology of Sexualities Kathleen J. Fitzgerald, Kandice L. Grossman, 2024-09-02 *Sociology of Sexualities* is an insightful exploration of sexuality through a sociological lens offering a comprehensive understanding of sexualities and gender identities The Third Edition brings to light the current societal challenges faced by LGBTQ and reproductive rights the influence of technology on sexuality and the impact of the COVID 19 pandemic on sexual behaviors

Sociology of Sexualities Kathleen J.

Fitzgerald, Kandice L. Grossman, 2024-09-04 *Sociology of Sexualities* is an insightful exploration of sexuality through a sociological lens offering a comprehensive understanding of sexualities and gender identities The Third Edition brings to light the current societal challenges faced by LGBTQ and reproductive rights the influence of technology on sexuality and the impact of the COVID 19 pandemic on sexual behaviors

Sex, Sensibility and the Gendered Body Lisa Adkins, Janet Holland, 2016-07-27 The study of sexuality is moving from margin to centre stage in sociology as the 1994 British Sociological Association annual conference on Sexualities in Social Context demonstrated Drawn from that conference the papers in this volume contribute to the debates which have developed on the relationship between the sexual and the social and between gender and sexuality The focus is on women and from different perspectives the authors explore the themes of gendered identity the construction of sexuality embodiment and control The social contexts in which these themes are elaborated include the family the law the education system medical practice and discourse and cultural representations and texts

Sex Cultures Amin Ghaziani, 2017-04-03 Why is it so hard to talk about sex and sexuality In this crisp and compelling book Amin Ghaziani provides a pithy introduction to the field of sexuality studies through a distinctively cultural lens Rather than focusing on sex acts which make us feel flustered and blind us to a bigger picture Ghaziani crafts a conversation about sex cultures that zooms in on the diverse contexts that give meaning to our sexual pursuits and practices Unlike sex which is a biological expression the word sexuality highlights how the materiality of the body acquires cultural meaning as it encounters other bodies institutions regulations symbols societal norms values and worldviews Think of it this way sex culture sexuality Sex Cultures offers an introduction to sexuality unlike any other Its case study and debate driven approach animated by examples from across the globe and across disciplines upends stubborn assumptions that pit sex against society The elegance of the arguments makes this book a pleasurable read for beginners and experts alike

The State of Sex Barbara Brents, Crystal Jackson, Kathryn Hausbeck, 2009-12-16 The State of Sex is a study of Nevada's brothels that situates the nation's only legal brothel industry in the political economy of contemporary tourism Nevada is part of the new American heartland as its pastimes people and politics have become more central to the nation The rise of a service and leisure economy over the past sixty years has propelled sexuality into the heart of contemporary markets Yet neoliberal laws in the United States promote business but limit sexual commerce How have Nevada's legal brothels survived while the rest of the country criminalizes prostitution How do brothels operate Who works in them This book brings social theory on globalizing economies politics leisure consumption and emotional labor in interactive service work together with research on contemporary prostitution and sexual commerce The authors employ an innovative multi method sociological approach combining historical analysis of how the brothels came to be with over a decade's worth of ethnographic research on the current state of the industry

Sex Work Matters Melissa Hope Ditmore, Antonia Levy, Alys Willman, 2013-04-04 Sex Work Matters brings together sex workers scholars and activists to present pioneering essays on the economics and sociology of

sex work From insights by sex workers on how they handle money intimate relationships and daily harassment by the police to the experience of male and transgender sex work this fascinating and original book offers new theoretical frameworks for understanding the sex industry The result is a vital new contribution to sex worker rights that explores the topic in new ways especially its cultural economic and political dimensions Readers weary of the sensational and often salacious treatment of the sex industry in the media and literature will find *Sex Work Matters* refreshing

Researching Sex and Sexualities Charlotte Morris,Paul Boyce,Andrea Cornwall,Hannah Frith,Laura Harvey,Yingying Huang,2018-02-15 Sexuality is a complex and multifaceted domain encompassing bodily contextual and subjective experiences that resist ready categorisation To claim the sexual as a viable research object therefore raises a number of important methodological questions what is it possible to know about experiences practices and perceptions of sex and sexualities What approaches might help or hinder our efforts to probe such experiences This collection explores the creative personal and contextual parameters involved in researching sexuality cutting across disciplinary boundaries and drawing on case studies from a variety of countries and contexts Combining a wide range of expertise its contributors address such key areas as pornography sex work intersectionality and LGBT perspectives The contributors also share their own experiences of researching sexuality within contrasting disciplines as well as interrogating how the sexual identities of researchers themselves can relate to and inform their work The result is a unique and diverse collection that combines practical insights on field work with novel theoretical reflections

21st Century Sexualities Gilbert Herdt,Cymene Howe,2007-04-11 Exploring sexuality in the twenty first century this unique book collects together more than fifty timely and accessible contributions to create a wide ranging and compelling picture of contemporary American sexuality Incorporating the latest cutting edge controversies theory and methodological material from the major domains of sexual education sexual health sexual rights and globalization this book includes a superb editorial overview that opens up the field for students and teachers alike This anthology will be an invaluable supplement to all levels of students and researchers interested in sexuality across a range of disciplines including anthropology sociology gender and sexuality studies and politics

Sexual Fields Adam Isaiah Green,2013-12-17 In the late modern period an unprecedented expansion of specialized erotic worlds has transformed the domain of intimate life Organized by appetites and dispositions related to race ethnicity class gender and age these erotic worlds are arenas of sexual exploration but also sites of stratification and dominion wherein actors vie for partners social significance and esteem These are what Adam Isaiah Green calls sexual fields which represent a semblance of social life for which he offers a groundbreaking new framework To build on the sexual fields framework Green has gathered a distinguished group of scholars who together make a strong case for sexual field theory as the first systematic theoretical innovation since queer theory in the sociology of sexuality Expanding on the work of Bourdieu Green and contributors develop this distinctively sociological approach for analyzing collective sexual life where much of the sexual life of our society resides today Coupling

field theory with the ethnographic and theoretical expertise of some of the most important scholars of sexual life at work today *Sexual Fields* offers a game changing approach that will revolutionize how sociologists analyze and make sense of contemporary sexual life for years to come

Reviewing **Sociology Of Sex**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is actually astonishing. Within the pages of "**Sociology Of Sex**," an enthralling opus penned by a very acclaimed wordsmith, readers embark on an immersive expedition to unravel the intricate significance of language and its indelible imprint on our lives. Throughout this assessment, we shall delve into the book's central motifs, appraise its distinctive narrative style, and gauge its overarching influence on the minds of its readers.
