

Sociology Of Work

Carol Jean Auster

Sociology Of Work:

The Sociology of Work Keith Grint, 2005-06-10 The third edition of this best selling textbook has been carefully revised to provide an up to date indispensable introduction to the sociology of work It not only includes clear explanations of classic theories and evidence but also covers the most cutting edge research data and debates In addition to being revised throughout the book contains substantive new sections on globalisation including global branding and slave labour and a new chapter on the myths and realities of modern employment Chapter by chapter Keith Grint examines different sociological approaches to work emphasising the links between social processes the institutions of employment and their social and domestic contexts His use of an international range of empirical evidence helps to make his account especially accessible to undergraduate readers The book has been specially designed to support students understanding and to develop their critical responses to the literature Written in a lively and accessible style it provides student friendly chapter summaries suggestions for further reading a glossary and practice essay questions This third edition will be essential reading for students of the sociology of work industrial sociology organisational behaviour and industrial relations Students studying business and management courses with a sociological component will also find the book invaluable **An Introduction to the**

Sociology of Work and Occupations Rudi Volti, 2011-10-11 The Sociology of Work and Occupations Second Edition connects work and occupations to the key subjects of sociological inquiry social and technological change race ethnicity gender social class education social networks and modes of organization In 15 chapters Rudi Volti succinctly but comprehensively covers the changes in the world of work encompassing everything from gathering and hunting to working in today's Information Age This book introduces students to a highly relevant analysis of society today In this new and updated edition globalization and technology are each given their own chapter and discussed in great depth **The Sociology of**

Work Stephen Edgell, 2011-12-30 A highly readable and approachable account of the sociology of work a first rate introductory text that is sure to become essential reading for students teachers and researchers Jason Hughes Brunel University An excellent text Its comparative and historical sweep is particularly welcome and the analysis provided is thoughtful and well grounded John Eldridge University of Glasgow An invaluable and up to date text for students and researchers Detailed and wide ranging in its scope it is an excellent source of materials combined with a thought provoking and challenging set of arguments Huw Beynon Cardiff University Stephen Edgell's book charts the rise of work and explores all aspects of work including paid and unpaid standard and non standard and unemployment New material has been incorporated covering the theories and practices of globalization interactive service work economic crisis technological and organizational change and trade unions Drawing on classic and contemporary theorists the book Covers key issues regarding paid industrial and service sector work alienation skill post industrial society network enterprises flexibility Fordism neo Fordism post Fordism McDonaldization emotional labour destandardization and the social impact of unemployment Discusses

key issues regarding non paid work domestic work as work the impact of technology symmetrical family thesis the impact of feminism and globalization Provides student friendly pedagogy suggestions for further reading questions for discussion and assessment an extensive glossary and links to key websites and downloadable articles This latest edition will be welcomed by lecturers and students wanting an authoritative guide to the sociology of work **Sociology of Work** Vicki

Smith,2013-05-16 The simple act of going to work every day is an integral part of all societies across the globe It is an ingrained social contract we all work to survive But it goes beyond physical survival Psychologists have equated losing a job with the trauma of divorce or a family death and enormous issues arise from financial panic to sinking self esteem Through work we build our self identity our lifestyle and our aspirations How did it come about that work dominates so many parts of our lives and our psyche This multi disciplinary encyclopedia covers curricular subjects that seek to address that question ranging from business and management to anthropology sociology social history psychology politics economics and health Features Benefits International and comparative coverage 335 signed entries A to Z fill 2 volumes in print and electronic formats Cross References and Suggestions for Further Readings guide readers to additional resources A Chronology provides students with historical perspective of the sociology of work In the electronic version the comprehensive Index combines with the Cross References and thematic Reader s Guide themes to provide robust search and browse capabilities Sociology, Work and Industry Tony J. Watson,1995 In the third edition of this successful and popular text Tony Watson explains how the discipline of sociology can contribute to our wider understanding of the variety of work practices and institutions which exist in modern societies He travels the full journey from the founding ideas of the discipline to postmodernist departures and develops all the main areas occupations organizations work experience industrial relations industrial society and theory The book ends with a thoroughly revised chapter covering the major questions of how work experience and global patterns of relationships are changing now and may change in the future Thoroughly revised and presented in a new and accessible format this third edition of Sociology Work and Industry will prove an indispensable guide to a massive and complex field

Sociology, Work and Industry , **Sociology of Work** Richard Hammond Hall,Robert T. Buttram,1994 **The Sociology of Work** Stephen Edgell,Edward Granter,2019-10-28 Definitive critical and engaging this is a superb introduction to the sociology of work Leo McCann Now in a fully updated third edition The Sociology of Work draws on the work of classic and contemporary theorists to provide readers with a thorough exploration of all aspects of work and employment including paid and unpaid work standard and non standard employment and unemployment The new edition includes Two new chapters on Work Skill and the Labour Process and Managing Culture at Work Expanded coverage of the rise and decline of trade unions emotional labour misbehaviour and resistance at work Further discussion of the gig economy and precarious work automation and the end of work globalization and human rights For Sociology and Business students taking modules in work employment and society The Sociology of Work Theodore Caplow,1954 The Sociology of Work was first published in

1954 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions

What are the effects of working conditions rewards and habits upon the institution of the family What are the typical forms of occupational segregation and what are the effects of such segregation upon the general society How are the social roles appropriate to each occupation created and sustained What social processes determine the evolution of occupational groupings and the distribution of population among them This work a basic study in occupational sociology throws light on such questions as these Professor Caplow describes the occupational system with reference to specialization occupational status the formation of professions mobility the patterning of individual careers the occupations of women and the prospects for continued improvement of working conditions He draws upon hundreds of empirical studies for his discussions The book has been warmly received by reviewers and readers Robert Dublin commented in the American Journal of Sociology This volume will long stand as a sourcebook of hypotheses and thesis topics for students of industrial sociology Writing in the American Sociological Review George Caspar Homans called it a wide ranging and hard headed study of American jobs their place and nature Robert C Stone said in Social Forces The work is a major contribution to the study of social structure The many specialist workers who are concerned with occupational problems industrial and applied psychologists personnel and guidance workers wage economists labor relations experts and others will find this a valuable reference work It is of course pertinent to the interests of general sociologists and anthropologists and is used as a text in a number of courses in occupational sociology

Sociology, Work and Industry Tony Watson, 2004-02-24 In the fourth edition of this successful and popular text Tony Watson explains how the discipline of sociology contributes to our wider understanding of the variety of work practices and institutions which exist in modern society The new edition outlines both what has been achieved historically and what is currently being achieved by the sociological study of work as well presenting a range of concepts models and other theoretical ideas that students and researchers can apply to the study of work Subjects covered include how working patterns have changed and continued to change since the industrial revolution work organizations innovations in the structuring of work activities at the enterprise level the occupational aspects of the organization of work in changing societies how people experience and cope with the pressures insecurities and inequalities of a restructured world of work how challenge and resistance influence the shaping of work in an ever changing world Fully updated throughout this book includes an all new chapter on the distinctiveness of the sociological perspective along with guidance on the research and analysis of work It will be essential reading for anybody studying the sociology of work and organizations

The Sociology of Work Keith Grint, Darren Nixon, 2016-03-28 This leading authoritative textbook has been carefully and substantially revised to provide the indispensable foundational resource for the sociology of work The fourth edition has been transformed to combine unrivalled explanations of classic theories with the most cutting edge research data and debates Keith Grint and Darren Nixon examine different sociological

approaches to work emphasizing the links between social processes institutions of employment and their social and domestic contexts The fourth edition includes a new chapter on work and identity exploring issues such as the rise of consumption and the cultural economy work life balance the social meaning of work and unemployment a fully rewritten chapter that comprehensively reviews trends in the contemporary service economy particularly the rise of emotional and aesthetic forms of labour and the polarization of employment in the knowledge or informational economy a new concluding chapter that examines the structure of the global economy taking in debates around globalization precarious labour and public sector reforms and unemployment in the wake of the financial crisis and austerity updated bibliographic references and data throughout with particularly significant revisions to the sections on gender and work ethnicity and work and work technologies The book has been designed to support readers understanding of and to develop their critical approach to the field of work with a range of empirical evidence and examples helping to reveal the complex picture of work society relations Written in a lively and accessible style the book also provides suggestions for further reading and seminar discussion questions This fourth edition will continue to be essential reading for students of the sociology of work industrial sociology organizational behaviour and industrial relations Students studying business and management courses with a sociological component will also find the book invaluable

Worlds of Work Daniel B. Cornfield,Randy Hodson,2012-12-06 The advent of transnational economic production and market integration compels sociologists of work to look beyond traditional national boundaries and build an international sociology of work in order to effectively address the human scientific and practical challenges posed by global economic transnationalism The purpose of this volume is to promote transnational dialogue about the sociology of work and help build a truly international discipline in this field
