Socrates Plato And Guys Like Me Confessions Of A Gay Schoolteacher:

Socrates, Plato, & Guys Like Me Eric E. Rofes,1985

The Teacher in American Society Eugene F. Provenzo,2011

Through a wide range of readings this anthology explores the role of teachers in the United States

The Work of

Teachers in America Rosetta Marantz Cohen,Samuel Scheer,2013-10-11 This volume presents a complex portrait of the

American teacher through a fascinating range of story narratives including fictional short stories poetry diaries letters ethnographies and autobiographies Through these stories the volume traces the evolution of the teacher and the profession over the course of two centuries from the late 1700s to the late 1900s In depicting the profession over time the authors include stories by and about both male and female teachers as well as teachers from a wide range of cultural and ethnic backgrounds including white black Hispanic Asian American immigrant and native born and gay and straight This book offers accessible comprehensive introductions to both the central ideas associated with each period and to the representative individual stories that are included within it The volume editors connect each of the parts to earlier and later ones by tracing evolving themes of feminization teacher activism conceptions of curriculum and discipline and issues of multiculturalism Questions suggested readings and activities are offered at the end of each section Photographs and drawings retrieved from state historical archives provide telling images of the teacher in each of the four periods Fit to Teach Jackie M.

Blount,2006-07-03 Examines the construction of gender in public school employment

Growing Up Gay in the South

James Sears,2014-03-18 This groundbreaking new book weaves personal portraits of lesbian and gay Southerners with interdisciplinary commentary about the impact of culture race and gender on the development of sexual identity Growing Up Gay in the South is an important book that focuses on the distinct features of Southern life It will enrich your understanding of the unique pressures faced by gay men and lesbians in this region the pervasiveness of fundamental religious beliefs the acceptance of racial gender and class community boundaries the importance of family name and family honor the unbending view of appropriate childhood behaviors and the intensity of adolescent culture You will learn what it is like to grow up gay in the South as these Southern lesbians and gay men candidly share their attitudes and feelings about themselves their families their schooling and their search for a sexual identity These insightful biographies illustrate the diversity of persons who identify themselves as gay or lesbian and depict the range of prejudice and problems they have encountered as sexual rebels Not just a simple compilation of coming out stories this landmark volume is a human testament to the process of social questioning in the search for psychological wholeness examining the personal and social significance of acquiring a lesbian or gay identity within the Southern culture Growing Up Gay in the South combines intriguing personal biographies with the extensive use of scholarship from lesbian and gay studies Southern history and literature and educational thought and practice These features together with an extensive bibliography and appendices of data make this essential reading for educators and other professionals working with gay and lesbian youth Understanding Homosexuality, Changing Schools

Arthur Lipkin, 2018-02-12 **BRINGING TOGETHER** thirteen topics related to homosexuality and education **Understanding Homosexuality Changing Schools** provides a foundation in gay lesbian studies and offers models for equity inclusion and school reform It is designed to help educators policymakers and the public understand the significance of gay and lesbian issues in education aid communication between gay lesbian students and their families and schools facilitate the integration of gay and lesbian families into the school community and promote the inclusion of gay and lesbian curricula in a range of disciplines It also seeks to promote the healthy development of all students through reducing bigotry self hatred and violence This volume makes the gay lesbian bisexual and transgender experience part of a democratic multicultural vision

Getting Ready for Benjamin Rita M. Kissen, 2002-10-23 This book argues that issues of sexual diversity are inextricably interwoven into the basic concerns of pre service teacher education How do we make our students aware of assumptions regarding masculinity femininity and sexuality that arise from what is presented represented or omitted from curricula and classroom practice What do we say about homophobia and heterosexism as we anticipate the administrative hierarchies school cultures parent and community politics they will encounter as teachers What special challenges might face a teacher straight or gay who discusses sexual orientation in a high school classroom or responds to a homophobic remark in the hallway or the cafeteria How should we prepare a teacher for a parent conference with two moms or two dads The essays in this volume range from an analysis of gay stereotypes in teacher education textbooks to a discussion of queer multiculturalism to personal accounts by lesbian and gay teacher educators and heterosexual allies who are challenging homophobia and heterosexism in their own classrooms and programs All agree that education for sexual diversity is as important as education about all other forms of difference and that future teachers need to know how to create safe spaces for lesbian and gay students along with the children of gay families who are increasingly a part of the classroom landscape

Routledge Revivals: Homosexuality: A Research Guide (1987) Wayne R. Dynes, 2017-02-17 First published in 1987 this book encompasses a broad range interdisciplinary research into homosexuality displaying a full spectrum of points of view and given that the major traditions of modern homosexual research began in Europe is not restricted to works in English In general topics that are densely covered in the literature are presented in this guide selectively with some less studied topics such as Economics and Music fleshed out with signposts to more comprehensive research It seeks to not only mirror existing publications but also to stimulate new work by pinpointing neglected themes and methods This book will be of interest to students of sociology

Queer Inclusion in Teacher Education Olivia J. Murray, 2014-06-13 **Queer Inclusion in Teacher Education** explores the challenges and promises of building queer inclusive pedagogy and curriculum into teacher education Weaving together theory research findings and practical how to strategies and materials it fills an important gap by offering a clear roadmap and resources for influencing the knowledge beliefs and actions of faculty working with pre service teachers While the book has implications for policy change most immediately readers will feel empowered with ideas for faculty

development they can implement in their own teacher education programs Looking at both the politics and practices of teacher education and the ways in which queer issues manifest in schools it is hopeful in suggesting that if teachers and pre service teachers can critically reflect on homophobia and heteronormativity they can begin to think about and relate to queer youth in a different more positive and inclusive way A Companion Website <http://queerincclusion.com> with additional activities and materials for teacher educators and faculty development and a practical guide enhances the usefulness of the book

A Radical Rethinking of Sexuality and Schooling Eric E. Rofes, 2005 A Radical Rethinking of Sexuality and Schooling Status Quo or Status Queer offers a startling and original critique of unexamined assumptions and liberal notions about sexuality and education in the United States Professor and long time community activist Eric Rofes argues that liberal approaches to gay issues and public schooling are inherently doomed to fail and that a radical approach is needed that addresses core issues of power in education in a meaningful way Tackling issues ranging from anti gay harassment in school to children s literature on gay themes gender performances of teachers to HIV education graduate school programs in education to gay men s sexual cultures Rofes presents a compelling argument for the creation of a second generation of activism focused on queers schools and education one that truly empowers young people and educators and one that has the potential to truly transform power relations in our nation

Training Professionals Who Work With Gays and Lesbians in Educational and Workplace Settings Hilda Besner, Charlotte I. Spungin, 2013-08-21 This manual was written for trainers both in the private and public sectors who are responsible for educating employees about gay and lesbian issues that directly or indirectly affect organizations in educational or workplace settings There are compelling reasons for addressing gay and lesbian issues in educational and workplace settings Many gays and lesbians are victims of prejudice discrimination and violent behavior that is motivated by fear misinformation and or lack of knowledge Unsafe environments in the educational and workplace environments can have negative effects on the productivity and creativity of personnel and interpersonal relationships

Actions Speak Louder Than Words Celia Oyler, 2012-03-22 Actions Speak Louder than Words is a systematic qualitative study offering in depth and detailed portraits of teachers engaged in social action projects as part of the regular classroom curriculum

Not Alone Jason Mayernick, 2023-12-15 Between 1970 and 1985 lesbian gay and bisexual LGB educators publicly left their classroom closets formed communities and began advocating for a place of openness and safety for LGB people in America s schools They fought for protection and representation in the National Education Association and American Federation of Teachers as well as building community and advocacy in major gay and lesbian teacher organizations in New York Los Angeles and Northern California In so doing LGB teachers went from being a profoundly demonized and silenced population that suffered as symbolically emblematic of the harmful bad teacher to being an organized community of professionals deserving of rights capable of speaking for themselves and often able to reframe themselves as good teachers This prescient book shows how LGB teachers and their allies broadened the boundaries of professionalism negotiated for employment protection and fought

against political opponents who wanted them pushed out of America's schools altogether **No Sanctuary** Stephen Lane, 2019 The struggle to protect LGBTQ youth in school **Project for the Integration of Gay & Lesbian Youth Issues in School Personnel Certification Programs**, 1996 **OK2BG** Jack Dunsmoor, 2015 OK2BG is narrative nonfiction a Memoir about a guy who wants to be a Mentor preferably to a teenager so they can have a decent meaningful conversation about stuff preferably with a kid at risk or just otherwise lost in order to help both the teenager as well as the determined subject of this story realize their unique potential find or reinforce their place in the world Overall a chronicle about the author's attempt over several years to understand the question of why do I want to be a Mentor which eventually helps him become a more insightful person Subsequently in September 2010 after a plague of teen suicides Jack turns his attention to researching gay biographies into optimistically appropriate groups of books for gay kids at risk from bullying After 5 years Jack has categorized 2 000 books in the form of Memoirs Biographies Autobiographies written by or about 1 000 allegedly gay men The primary message in OK2BG is to read reassess before you run asunder **Bears on Bears** Ron Jackson Suresha, 2009-08 This revised edition of Suresha's thought provoking humorous collection of interviews with men discusses gay male stereotyping commodification of the human body the oppressiveness of the physical ideal and how body image affects personal growth **Critical Concepts in Queer Studies and Education** Nelson M. Rodriguez, Wayne J. Martino, Jennifer C. Ingrey, Edward Brockenbrough, 2016-08-30 This book advances a broad constellation of critical concepts situated within the field of queer studies and education Collectively the concepts take up a cross section of scholarship that speaks to various political epistemological theoretical methodological and pedagogical concerns Given the ongoing global centrality of sociocultural and political developments related to the topic of LGBTQ in the twenty first century the concepts in this volume and the issues raised by each contributor will have wide international appeal among researchers scholars educators students and activists working at the intersection of queer studies and education **Queering Elementary Education** William J. Letts, James Thomas Sears, 1999 This volume assembles a range of writers from diverse backgrounds and geographies to examine five broadly defined areas in elementary education foundational issues social and sexual development curriculum the family and gay lesbian educators and their allies **College Student Journal**, 1986
