No More Masterpieces Lucy Bradnock,2021-01-01 This groundbreaking account of postwar American art traces the profound influence of Antonin Artaud Proposing an original reassessment of art from the 1950s to the 1970s No More Masterpieces reveals how artistic practice in postwar America was profoundly shaped by the work of the rebellious French poet and dramatist Antonin Artaud 1896 1948 A generation of artists mobilized Artaud s countercultural ideas to imagine new forms of representation and to redefine the relationship between artist and audience The book shows how Artaud s radical writings inspired the experimental theatrical work of John Cage Rachel Rosenthal and Allan Kaprow the attack on artistic and social conventions launched by assemblage artists Wallace Berman and Bruce Conner and the feminist work of Carolee Schneemann and Nancy Spero Lucy Bradnock traces the dissemination of Artaud s writings in America and demonstrates how his interest in political and cultural disorder the dangers of authority and the unreliability of representation found fertile ground in the context of the Cold War disillusionment with the ideals of Abstract Expressionism and the early years of identity politics **Allan Kaprow** ,1967
