Incident Revealed A. Jay Cristol,2013-09-15 The Liberty Incident Revealed is the complete and final story about the Israeli Air Force and Navy attack on the USS Liberty during the Six Day War in June 1967 Cutting through all of the controversy and conspiracy theories about Israel s deadly attack Cristol revises his well regarded book about the event with an expanded and in depth analysis of all of the sources including the released tapes of the National Security Agency NSA intercepts When Cristol s first book on the subject The Liberty Incident was published in 2002 there remained many unanswered questions about Israeli Air Force audio tapes The NSA intercepts tapes had not yet been released in 2002 Some conspiracy theorists alleged the NSA tapes would prove that the Israeli attack was premeditated Cristol s successful Freedom of Information Act lawsuit against the NSA while resulting in the release of those tapes has been greeted by anti Israel sources insisting that the NSA tapes are fraudulent and are part of a larger conspiracy to deceive the American public After a quarter of a century of intensive research in both Israel and the U S researching all relevant archives from NSA CIA and the State Department reviewing both formerly classified and open source documents and interviewing all then living individuals directly involved in the incident the factual and documentary record is clear Cristol maintains that despite the fact that all of the official records and transcripts are now available for review the truth has proven to be of no interest to those individuals and organizations who are motivated by hidden agendas wish to keep conspiracy theories alive or are trying to feed sensational stories to the media Documenting his findings in six new chapters Cristol establishes definitively that the Israeli attack was a tragic mistake and presents a convincing argument that will be regarded as the final chapter in the long simmering debate about this incident *Fiction, 1876-1983: Titles* R.R. Voices of the Foreign Legion Adrian D. Gilbert,2014-07-01 The French Foreign Legion has built a reputation as one of the world s most formidable and colorful military institutions Established as a means of absorbing foreign troublemakers the Legion spearheaded French colonialism in North Africa during the nineteenth century Accepting volunteers from all parts of the world the Legion acquired an aura of mystery and a less than enviable reputation for extreme brutality within its ranks Voices of the Foreign Legion explores how the Legion selects its recruits their native lands and why these warriors seek a life full of hardship and danger It analyzes the Legion s brutal attitude toward discipline questions why desertion has been a perennial problem and assesses the Legion s remarkable military achievements since its formation in the year 1831 This is the real story of the Legion featuring firsthand accounts from the men who have fought in its ranks Its scope ranges from the conquest of the colonies in Africa and the Far East through the

horrors of the two world wars to the bitter but ultimately hopeless battle to maintain France's far flung imperial possessions. The story is brought fully up to date with accounts and anecdotes from those contemporary foreign legionnaires who continue to fight for French interests around the globe. Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Eyewitness Accounts of the Thirty Years War 1618-48 G. Mortimer, 2002-04-19 The Thirty Years War the first great pan European war and until the twentieth century the most terrible ravaged Germany but myth propaganda and historical controversy have obscured its true nature. Another perspective is provided by the private diaries memoirs and chronicles of soldiers and citizens who recorded their own experiences. War at the individual level is discussed and described using these sources which are extensively quoted in their own words.

The United States Army and Navy Journal and Gazette of the Regular and Volunteer Forces, 1865 A History of the Philadelphia Theatre, 1835-1855 Arthur Herman Wilson, 2017-01-30 No detailed description available for A History of the Philadelphia Theatre 1835 1855 **The Publishers' Trade List Annual**, 1898 **The Liberty Incident** A. Jay Cristol, 2002 Despite multiple official American and Israeli inquiries that determined the attack resulted from faulty communications and tragic error conspiracy theorists have for thirty five years tirelessly maintained vocal charges of conspiracy and cover up.

Counting the Days Craig B. Smith, 2012-05-08 Counting the Days is the story of six prisoners of war imprisoned by both sides during the conflict the Japanese called the Pacific War. As in all wars the prisoners were civilians as well as military personnel. Two of the prisoners were captured on the second day of the war and spent the entire war in prison camps. Garth Dunn a young Marine captured on Guam who faced a death rate in a Japanese prison 10 times that in battle and Ensign Kazuo Sakamaki who suffered the ignominy of being Japanese POW number 1. Simon and Lydia Peters were European expatriates living in the Philippines the Japanese confiscated their house and belongings imprisoned them and eventually released them to a harrowing jungle existence caught between Philippine guerilla raids and Japanese counterattacks. Mitsuye Takahashi was a U S citizen of Japanese descent living in Malibu California who was imprisoned by the United States for the duration of the war disrupting her life and separating her from all she owned. Masashi Itoh was a Japanese soldier who remained hidden in the jungles of Guam held captive by his own conscience and beliefs until 1960 15 years after the end of the war. This is the story of their struggles to stay alive the small daily triumphs that kept them going and for some their almost miraculous survival.
