Soldiers Fire Servants Thunder:

Soldier's fire, servant's thunder John J. Chaya, 1998-01-01 The Scarecrow and His Servant Philip Pullman, 2012-06-27
Outrageously zany and filled with non stop surprises Simon Reade's theatrical adaptation of *The Scarecrow and His Servant* renowned author Philip Pullman's fictional children's tale is an enchanting play for young readers and performers Delve into the magical world of Scarecrow as you accompany him as Jack his trusty help mate and together you can embark on adventures that will make your head spin From dodging dangerous bandits and surviving terrifying shipwrecks to soaring through the skies with wild birds this play is a roller coaster ride of never ending escapades But when the river polluting Buffaloni tyrants catch up with you for a final showdown who will come to your rescue and save the day A production of *The Scarecrow and His Servant* ran at the Southwark Playhouse in December 2008 January 2009 Confessions of a Civil Servant Bob Stone, 2004-07-26 *Confessions of a Civil Servant* is filled with lessons on leading change in government and the military Bob Stone based the book on thirty years as a revolutionary in government It comes at a time when the events of 9 11 are sharpening America's demands for government that works at all levels The book tackles fourteen overarching themes in government developed through entertaining stories of Stone's own experiences as a civil servant Among the topics Stone covers are tackling a job when you haven't a clue organizing for the mission dealing with difficult bosses and getting past the barriers to change This book is a must read for anyone in or considering taking a leadership position in government the military or any large organization public or private Tradition, Transmission, and Transformation from Second Temple Literature through Judaism and Christianity in Late Antiquity Menahem Kister, Hillel Newman, Michael Segal, Ruth Clements, 2015-10-05 Many types of tradition and interpretation found in later Jewish and Christian writings trace their origins to the Second Temple period but their transmission and transformation followed different paths within the two religious communities For example while Christians often translated and transmitted discrete Second Temple texts rabbinic Judaism generally preserved earlier traditions integrated into new literary frameworks In both cases ancient traditions were often transformed to serve new purposes but continued to bear witness to their ancient roots Later compositions may even provide the key to clarifying obscurities in earlier texts The contributions in this volume explore the dynamics by which earlier texts and traditions were transmitted and transformed in these later bodies of literature and their attendant cultural contexts *Catalogue* Sotheby & Co.
