raging towards us when the gates to the other world are opened and our worst nightmares are unleashed Signs are appearing A dark alchemy has been released Modern weapons are useless and transportation has been crippled A defenseless world watches and waits Creatures of myth and legend are being sighted Murder rates and disappearances are soaring and the once peaceful Bucks County is paralyzed with fear The day has arrived **The Sacred Book of the Black Brotherhood** Moriel Yamanu,2018-10-02 The Black Brotherhood is a secret society of Sages and Adepts that exists from the dawn of the world and that has been pushing forward many ancient civilizations and cultures like Lemuria and Atlantis Sumeria Ancient China and Egypt Aztecs and Mayans While other teachings spread like the branches of the tree and stray ever further the Teachings of the Black Brotherhood remain hidden as stable and black as the soil itself It preserves the Ancient Wisdom hidden and untainted The Teachings of the Black Brotherhood are always passed on as a tradition by word of mouth from Master to a Disciple from Ancient Times For the first time a big part of the tradition and the teachings of the Black Brotherhood from various Eras were gathered in writing and organized in a unified system the first of its kind The realization of the Book was the last will of my Master and it became my Mission The door has been opened We are already among you Moriel Yamanu *Worcestershire Regiment in the Great War Vol 2* Capt H. FitzM. Stacke,2013-02-25 Arguably the finest regimental history even written A magnificent publication it is with its profusion of maps illustrations and photos each page of photos contains several The Worcesters was one of the five regiments that had four regular battalions before the war with two special reserve and two territorial battalions By the end of the war another fourteen battalions had been raised for a total of twenty two of which twelve went on active service 9 460 officers and men gave their lives 71 Battle Honours were awarded and eight VCs one of whom attached to the RFC was the airman Leefe Robinson famous for shooting down a zeppelin Battalions served on the Western Front in Gallipoli Macedonia Mesopotamia Italy one battalion ended the war in North Persia Appendices provide the Roll of Honour Honours and Awards including Mention in Despatches with date of Gazette for Companion of the British Empire read Commander details of Badges Colours and Distinctions of the regiment and the music for regimental marches Illustrations are by well known artists depicting battle scenes including each VC winning action apart from Leefe s zeppelin After considering various factors explained in his very informative preface the author decided to present this history as one general story in which the number of the battalion concerned is printed in the margin of the pages dealing with its deeds Attention is paid to minor actions such as trench raids which usually find no place in compressed official histories they are recorded in this history The plans illustrate the engagements recorded in the book and are designed to depict the part played by the several battalions in their battles and to enable the visitor to the battlefields to recognise the ground on which each fight took place as much as to make clear the general course of those actions The book opens with a very interesting account of the regiment in the years before the war beginning at the turn of the century and there is a very comprehensive index of 25 pages This is a great piece of work and must rank as one of the

finest of the Great War regimental histories many would say the finest and I wouldn't argue *History of Europe from the Commencement of the French Revolution in M. DCC.
