The Solid Mandala Patrick White, 1975 *The Solid Mandala* /Patrick White Patrick White, 1969 **The Solid Mandala. (Novel. Repr.).** Patrick White, 1981 **An Approach to Patrick White's "The Solid Mandala".** G.A. Wilkes, 1969 The Solid Mandala Patrick White, 1966 **The Solid Mandala** Thelma Herring, 1968 **The Rocks and Sticks of Words** Gordon Collier, 2021-11-15 , Patrick White's Fiction Carolyn Bliss, 1986-08-18 This study examines all eleven novels of Patrick White the great Australian writer and Nobel Prize winner It begins from the observation that major characters in his novels undergo a necessary redemptive or facilitating failure This failure paradoxically enables their success within the context of what White has called the overreaching grandeur which circumscribes human existence Evolution of this theme is traced through forty years of White s fiction from his first novel Happy Valley 1939 to his most recent work The Twyborn Affair 1979 Comprehensive in its scope this book is informed by a thorough knowledge of White s poetry plays short stories and autobiography as well as his novels It is also unique in stressing that White s world view derives from a distinctly Australian experience It thus links him to a country in which he is deeply rooted and to a heritage he continued to affirm **Inlets of the Soul** Pierre François, 2021-11-01 The relationship of myth to literature has largely been overshadowed in contemporary theory by perspectives of a linguistic or sociological orientation and by relativist sometimes negatory stances on all searches for meaning This book attempts to show that myth criticism and critical theories of more recent provenance are not irreconcilable While taking into consideration some of the more influential tenets of structuralist post structuralist Marxist and feminist theory it applies a post Jungian archetypal approach to illustrating the perennial nature of a particular myth the Fall of Man in two main traditions Mesopotamian and Christian and in the contemporary novel in English The discussions of five major novels by William Golding Patrick White Martin Amis Salman Rushdie and Wilson Harris not only serve to expand the mythological insights achieved in the first part of the book they also suggest the incommensurability of imaginal novelistic life with mythology s age old intuitions about the human condition Myth criticism emerges from this book as an irreplaceable vantage point from which man s lapsarian predicament can be scrutinized synchronically as archaic wisdom contemporary anxiety and post colonial commitment to the building of a new human city **From the Brink** Paul W. Ashton, 2020-06-16 A commonly encountered experience of both analyst and analysand is that of the void It is spoken about at different stages of therapy and refers to experiences that have different origins Sometimes the experience of the void is around a relatively limited aspect of the psyche but at other times the void seems much more global and threatens to engulf the entire personality the whole individual psyche then seems threatened by the possibility of dissolution into nothingness **Migrant Voices in Literatures in English** Anu Shukla, 2006 Papers presented at the Second World Conference of World Association for Studies in Literatures in English held at Nagpur in January 2004 **A Masterpiece of World Literature : From Classical to Present Era** Dr. Rishikesh Tewari, 2025-05-14 This magnum opus A

The Mystery of Unity Patricia A. Morley,1972-01-01 **The Representation of Dance in Australian Novels** Melinda Jewell,2011 This book is an analysis of the textual representation of dance in the Australian novel since the late 1890s It examines how the act of dance is variously portrayed how the word dance is used metaphorically to convey actual or imagined movement and how dance is written in a novelistic form The author employs a wide range of theoretical approaches including postcolonial studies theories concerned with class gender metaphor and dance and in particular Jung s concept of the shadow and theories concerned with vision Through these variegated approaches the study critiques the common view that dance is an expression of joie de vivre liberation transcendence order and beauty This text also probes issues concerned with the enactment of dance in Australia and abroad and contributes to an understanding of how dance is translated into literature It makes an important contribution because the study of dance in Australian literature has been minimal and this despite the reality that dance is prolific in Australian novels **Reading Corporeality in Patrick White's Fiction** Bridget Grogan,2019-03-25 In Reading Corporeality in Patrick White s Fiction An Abject Dictatorship of the Flesh Bridget Grogan combines theoretical explication textual comparison and close reading to argue that corporeality is central to Patrick White s fiction shaping the characterization style narrative trajectories and implicit philosophy of his novels and short stories Critics have often identified a radical disgust at play in White s writing claiming that it arises from a defining dualism that posits the purity of the disembodied spirit in relation to the pollution of the material world Grogan argues convincingly however that White s fiction is far more complex in its approach to the body Modeling ways in which Kristevan theory may be applied to modern fiction her close attention to White s recurring interest in physicality and abjection draws attention to his complex questioning of metaphysics and subjectivity thereby providing a fresh and compelling reading of this important world author
