Solitude and Solidarity Sebastian Painadath, 2003 Contributed articles *The Christian Ashram Movement in India* Zdeněk Štipl, 2020-03-20 This book is one of the first to present a definitive history of the Christian Ashram Movement It offers insights into the development of the Movement Europe s Orientalist view of Eastern mysticism and how the concept of the ashram spread beyond the borders of India Drawing extensively from ashram literature and the author s field research the book critically analyzes the notions of inculturation in the encounter between Christianity and Hindu spirituality and ritualism It looks at how the Movement grew out of the colonial encounter and how it evolved through the years which was contingent on developments within Christian churches outside India The volume also discusses the reinterpretation of the idea of the ashram by Christian theologians the introduction of elite Brahmanical concepts within the Movement and the unique theological perspectives which were nurtured in these ashrams The book offers an alternative perspective to the generally perceived history of Christianity in India It will be of interest to scholars and researchers of religious studies Christianity sociology social anthropology and religious history Khrist Bhakta Movement: A Model for an Indian Church? Ciril J. Kuttiyanikkal, 2014 In this PhD research the author has inquired the contribution of the Khrist Bhakta movement to inculturation in the field of community building in India He focuses on Matridham asram at Varanasi where rural Hinduism and the charismatic form of Catholic Christianity meet one another The author addresses the issues involved in this encounter from a social cultural legal pastoral and theological perspective which is relevant for all those interested in interreligious and intercultural encounter Book Jacket **The Future of Christian Mission in India** Augustine Kanjamala SVD, 2014-08-21 Colonial missionaries both Catholic and Protestant arrived in India with the grandiose vision of converting the pagans because like St Peter Acts 4 12 and most of the church fathers they honestly believed that there is no salvation outside the church extra ecclesiam nulla salus At the end of the great Protestant century however Christians made up less than 3 percent of the population in India and the hope of the missionary was nearly shattered But if one looks at mission in India qualitatively rather than quantitatively one sees a number of positive outcomes Missionaries in India particularly Protestant missionaries espousing the social gospel in collaboration with a few British evangelical administrators dared to challenge numerous social evils and even began to eradicate them The scientific and liberal English education began to enlighten and transform the Indian mindset Converts belonging to the upper caste although small in number laid the foundation stone of Indian theology and an inculturated church using Indian genius The end of colonialism in India coincided with the painful death of colonial mission theology Now the power of the Word of God extricated from political power is slowly and peacefully gaining ground like the mustard seed of the parable A paradigm shift from the ecclesio centric mission to missio Dei offers reason for further optimism In short the future of mission in India is as bright as the kingdom of God In today s new context theologians despite objections from some quarters are struggling to discover the Asian face of Jesus

disfigured by the Greco Roman Church And the missionary is challenged to become a living Bible that undoubtedly everyone will read

**Christianity** John Chathanatt,2024-01-08 Published in the Series Encyclopedia of Indian Religions this volume is devoted to Christianity in India where it has had a long presence going back to the time of the apostles of Jesus Christ It focuses on the history origin organizations and local engagements belief system worship practices Rites Rituals Christian life Contributions Spirituality and a few of the main doctrinal and theological items It further examines the earlier phase of the history of Christianity starting with the traditional belief of the arrival of St Thomas in AD 52 moving to the periods of its association with the Chaldean church the Portuguese the Dutch English and so on This volume highlights the missionary activities of persons like St Francis Xavier the creative contributions made to the inter religious dialogue by such people as Roberto de Nobili 1577 1656 and Swami Abhishiktananda 1910 1973 the linguistic and educational contributions of some of the pioneers like the German Jesuit Johanne Ernst Hanxleden known as Arnos Padiri 1681 1732 Herman Gundert 1814 1893 St Elias Kuriakos Chavara 1805 1871 and a fortiori the enormous contributions in the healthcare area throughout the country Caring for and serving the socio economically marginalized ones the peripheralized people formed an integral part of the Christian activity In India as it is done even today This is highlighted very much in the volume It further explores the contact India had with European Christianity showing that European Christianity proved to have wider influence in the Northern part of India unlike India s early episodic encounters with Palestinian and Persian forms of Christianity which had deep influence in the Southern part of India The volume also highlights the inner struggle among the followers resulting even in its division originating at the Synod of Diamper in 1599 manifesting by and large the Church state love and hate relationships In fine in spite of the drawbacks of putting the herculean task of two thousand years of history in eight hundred pages or so this volume gives a rather comprehensive view of Christianity in India especially to those who are unfamiliar with its life and dynamics in the Indian context The wide range of photographs 325 of them especially of the churches revealing the architectural beauty and multiplicity along with the ensample of art and paintings and pilgrimage centers adds to the enrichment of the volume

Podimattam,2005 **Passage to India** Enrico Beltramini,2021-11-17 Abhishikt nanda also known as Henri le Saux OSB is among the most studied Roman Catholic expatriates in India His life and work have been investigated mainly in the fields of spirituality and interreligious dialogue While his search for the spiritual awakening is well known however less known is his effort to reawaken the sacramental sensibility within the Roman Catholic Church No scholar has in fact extensively analyzed Abhishikt nanda s understanding of issues surrounding nature and the supernatural In this book the focus is primarily on Abhishikt nanda s concern for the sacramental character of all created existence in terms of the connection between the ecclesial character of his spiritual search and the underlying theme of his theological and literary writings While the scope of this study is limited it nonetheless

subjects Abhishikt nanda to an interpretative turn by proposing a reinterpretation of him as primarily a product of mid twentieth century French Roman Catholicism in transition from the reigning neo Scholasticism to the theology of ressourcement
