Neapolitan Postcards Goffredo Plastino, Joseph Sciorra, 2016-06-22 Neapolitan Postcards gathers a diverse group of international scholars to investigate unexplored transnational aspects of the intimate yet globally popular canzone napoletana Performed and beloved worldwide in almost every language the style had hits such as Funicul funicul 1880 and O sole mio 1898 which sold millions of copies These hits fueled the tradition s spread across the world over the course of the twentieth century with the eventual popularity of covers by singers and musicians of all music genres and styles from popular music to opera and jazz This book is the first scholarly work that considers the specific complexities of the international Neapolitan Song scenes through case studies from Argentina England Greece and the United States employing analyses of compositions iconographical sources international films mechanical musical instruments performances and recordings devoted to the canzone napoletana

Dick Watkins Mary Eagle, 2024-09-17 Dick Watkins belongs to the generation of artists whose careers were launched at the high flying end of American based Abstraction Almost immediately he faced up to the abrupt end of the Modern era Culture was no longer to be framed by progress In 1970 taking stock of the situation he announced that he was a copyist there being no such thing as a new creation in art shaped as it was by visual languages Nor did he intend to limit his curiosity about the relation of art to life by restricting himself to a personal style There followed a long and passionately adventurous exploration into many subjects and styles during which Watkins was often the first to signal changes taking place in Western culture The result is that for half a century he has been a major if controversial figure in Australian art

Transforming the Skies Peter Reese, 2018-02-16 Following the Armistice of 1918 the British Air Industry and the newly founded RAF held a low place in national priorities The RAF was rapidly run down with the infant airlines being given the least possible help and this neglect continued during the 1920s The RAF s role was questioned and civilian air travel remained a dream for most and the province of the well heeled few But the breakdown of the Geneva Disarmament Talks led to renewed interest in the National Air Force and the rise of the European dictators brought calls for rapid

modernisation and interceptor aircraft together with the development of further European civilian air routes Here Peter Reese charts the dramatic changes that swept aviation across the dynamic interwar period revealing the transformative last minute preparations for defence in a world where much depended on the contributions of some outstanding individuals
