Composers in the Classroom James Michael Floyd, 2011-02-07 Composers in the Classroom is a bio bibliographical dictionary chronicling the careers and work of over 120 composers associated with conservatories colleges and universities in the United States and Puerto Rico Scholars and students of music seeking critical information about composers who have taken on the mantle of instruction will find a wealth of detail on their subjects Painstakingly obtained through direct correspondence with the composers themselves Floyd includes within each entry a short biography of the composer s life and education lists of previous positions most prominent commissions awards and honors and notable performers of the subject s work Each entry also contains a discography of the recordings and a bibliography of writings by the composer Researchers will find especially useful the organization of each subject s compositions by a variety of types These include vocal choral assembly dramatic keyboard solo instrument handbells chamber music jazz ensemble band and wind ensemble band and wind ensemble with solo instruments orchestra orchestra with solo instruments film television commercial electro acoustic and multimedia arrangements transcriptions and editions and reconstructions Music scholars will find under each work not only the title and date of composition but also the date of revision commission and dedication information as well as other pertinent details ranging from the names of collaborators to alternate titles under which works may circulate Composers in the Classroom is an indispensable tool to scholars of modern music seeking to research the current state of musical composition and the compositional trends of the 21st century *Collected Works* Whitney Balliett, 2002-04-15 Jazz critic for The New Yorker since 1957 and the author of some fifteen books Whitney Balliett has spent a lifetime listening to and writing about jazz All first rate criticism he once wrote in a review first defines what we are confronting He could as easily have been describing his own work For nearly half a century Balliett has been telling us in his widely acclaimed pitch perfect prose what we are confronting when we listen to America s greatest and perhaps only original musical form *Collected Works* A Journal of Jazz 1954 2001 is a monumental achievement capturing the full range and register of the jazz scene from the very first Newport Jazz Festival to recent performances in clubs and on CDs by a rising generation of musicians Here are definitive portraits of such major figures as Duke Ellington Dizzy Gillespie Django Reinhardt Martha Raye Buddy Rich Charles Mingus Louis Armstrong Billie Holliday Art Tatum Bessie Smith and Earl Hines a list that barely scratches the

surface Generations of readers have learned to listen to the music with Balliett's graceful guidance For five decades he has captured those moments during which jazz history is made Though Balliett's knowledge is an encyclopedic treasure he has always written as if he were listening for the first time Since its beginnings in New Orleans at the turn of the century jazz has been restlessly and relentlessly evolving This is an art form based on improvising experimenting shapeshifting a constant work in progress of sounds and tonal shades from swing and Dixieland through boogie woogie bebop and hard bop to the new thing free jazz abstract jazz and atonal jazz Yet in all its forms the music is forever sustained by what Balliett calls a secret emotional center an aural elixir that reveals itself when an improvised phrase or an entire solo or even a complete number catches you by surprise Balliett's celebrated essays invariably capture the so called sound of surprise and then share this sound with general readers music students jazz lovers and popular American culture buffs everywhere As The Los Angeles Times Book Review has observed Few people can write as well about anything as Balliett writes about jazz **All**

The Songs Philippe Margotin, Jean-Michel Guesdon, 2012-03-20 In this lively and fully illustrated work two music historians break down every album and every song ever released by the Beatles from Please Please Me U S 1963 to The Long and Winding Road U S 1970 All the Songs delves deep into the history and origins of the Beatles and their music This first of its kind book draws upon decades of research as music historians Margotin and Guesdon recount the circumstances that led to the composition of every song the recording process and the instruments used Here we learn that one of John Lennon's favorite guitars was a 1958 Rickenbacker 325 Capri which he bought for 100 in 1960 in Hamburg Germany We also learn that Love Me Do recorded in Abbey Road Studios in September 1962 took 18 takes to get right even though it was one of the first songs John and Paul ever wrote together And the authors reveal that when the Beatles performed I Want to Hold Your Hand on The Ed Sullivan Show in 1964 John's microphone wasn't turned on so viewers heard only Paul singing The hundreds of photographs throughout the book include rare black and white publicity stills images of Beatles instruments and engaging shots of the musicians in studio All the Songs is the must have book for the any true Beatles fan **Ella Fitzgerald J.**

Wilfred Johnson, 2001-01-01 Ella Fitzgerald was one of America's greatest jazz singers This volume is as complete a discography of her recorded songs as currently seems possible to compile This volume also contains a complete discography 1927-1939 for drummer and bandleader Chick Webb with whom Ella began her recording career in 1935 Part One includes a chronological listing of all known recorded performances of both Chick Webb and Ella Part Two gives the complete contents of Ella's LPs and CDs including track listings titles with lyricists and composers and timings Part Three is an annotated alphabetical listing of all songs contained on all of Fitzgerald's records with detailed information on each song's composer lyricist and history Reviews of the movies in which Ella appeared and surveys of her career with the Decca Verve and Pablo music companies are included The book also has an index of album and CD recordings and composers lyricists and musicians
