Solo Plays:

Going Solo Andrew Biss, 2017-06-15 The six one person plays included in this collection are ideal for actors looking to showcase their talents at solo performance theatre festivals whose popularity has grown exponentially in recent years Poignant sometimes heart wrenching sometimes heart warming and frequently witty each piece allows the actor to explore a multifaceted well rounded character that will demonstrate their skills at their finest and fullest They say never judge a book by its cover but it s something many of us are apt to do at some point Judging a person by their appearance is equally unwise as none of us can know the personal turmoil behind the public facade of a perfect stranger But what if we could Juxtaposing the public face with the private conflicted person behind it these solo plays present an actor with the opportunity to truly immerse themselves in the mind of the character they re portraying Haunting intense totally engaging The Concordian A masterly collection by an excellent writer Author A J Moreton
