International Who's who in Music and Musicians' Directory David M. Cummings, 2000 First published in 2000 Routledge is an imprint of Taylor Francis an informa company **John Cage's Concert for Piano and Orchestra** Martin Iddon, Philip Thomas, 2020-05-01 John Cage's Concert for Piano and Orchestra is one of the seminal works of the second half of the twentieth century and the centerpiece of the middle period of Cage's output It is a culmination of Cage's work up to that point incorporating notation techniques he had spent the past decade developing techniques which remain radical to this day But despite Cage's vitality to the musical development of the twentieth century and the Concert's centrality to his career the work is still rarely performed and even more rarely examined in detail In this volume Martin Iddon and Philip Thomas provide a rich and critical examination of this enormously significant piece tracing its many contexts and influences particularly Schoenberg jazz and Cage's own compositional practice through a wide and previously untapped range of archival sources Iddon and Thomas explain the Concert through a reading of its many histories especially in performance from the legendary performer disobedience and audience disorder of its 1958 New York premiere to a no less disastrous European premiere later the same year They also highlight the importance of the piano soloist who premiered the piece David Tudor and its use alongside choreographer Merce Cunningham's Antic Meet A careful examination of an apparently bewildering piece the book explores the critical response to the Concert's performances re-interrogates the mythology surrounding it and finally turns to the music itself in all its component parts to see what it truly asks of performers and listeners **Music at Michigan**, 1979 **French Music for Low Brass Instruments** John Mark Thompson, Jeffrey Jon Lemke, 1994 J Mark Thompson and Jeffrey Jon Lemke have compiled and annotated listings of French literature for tenor trombone bass trombone tuba and bass saxhorn as well as repertoire suitable for the modern euphonium In addition to these solo pieces the authors provide separate listings of pedagogical materials for each of these four instruments Each entry gives the date of composition or publication of the piece the publisher the length the range the level of difficulty an indication of its use as a competition solo at the Paris Conservatory and a description of its musical style or character *School of Music Programs* University of Michigan.
