three parts of the Anthony Roll allowing the document to be seen in its original sequence for the first time in over 300 years The fleet which Henry VIII created is revealed as the king saw it in the last year of his life Because of the unusual format of the MS a complete facsimile is not presented here Anthony's paintings at Magdalene and in the British Library are reproduced in full colour from newly commissioned photographs Adjacent to each ship illustration is the relevant text given in its original spelling In the Introduction Anthony's personal and professional career is set out for the first time and the subsequent history of his MS is revealed as a subject of interest in its own right In order to explore the many facets of this remarkable document a work of art as well as an administrative record the Introduction includes essays by experts in the field of ordnance art history heraldry and fabric and on the oared vessels which were so distinctive a feature of the navy of the time Marine archaeologists from the Mary Rose Trust examine the accuracy of Anthony's representation and inventory of the Mary Rose in the light of the excavation of the ship In the second part of this
