Six Presents Of God:

Padlock of Knowledge Jon Moses, 2022-12-08 Have you given any thoughts to the possibility that you might have chosen your life the way it is And that God plays little or no role in how you operate your life daily God made Man in His own image and breathe his breath into him In the process he created the best most sophisticated most valuable powerful unique unparalleled and delicate computer organs to guide and direct your path through life while you are here on earth for a limited time And this gives you the absolute power to do as much or as little as you set your mind to do This godly gift is likened to your free gift of talents from God What you do with your talents as an individual signifies your purpose of life and should limit how much responsibility is placed on God It brings the focus back on you towards accountability and success in life This is the essence of the Padlock of Knowledge how You Choose Your Destiny from Heaven All your life has been orchestrated from the time you were born until that time when you relinquished the spirit back to its rightful owner as your journey of life comes to an end Afterwards you will return to Praising and Worshiping God in His Sanctuary among Angels Before then you do have a life to live and you must factor in Destiny and its impact upon your life There is a biblically sound way that God can be petitioned to upgrade an unwanted destiny as only he could do And this is what every believer should pursue relentlessly in order to thwart the adversaries relentless attempt to sabotage your life goals The clock is ticking Let us go on this beautiful journey of personal growth together as it is written **A Body of Practical Divinity, Consisting of**
