THE PRIDE OF KANSAS PRAYER KIDS

Two years have passed, and Sarah, the mail-order bride from Maine, is now part of the Warring family. She and Jacob have fallen even more deeply in love, and his two young children have truly become her own. They live a simple but rich life on the Kansas prairie... until a terrible drought ravages the land. They watch helplessly as one by one, their friends and neighbors abandon their farms... but they vow to stay together and fight for their home as a family. When wells run dry and flash fires threaten their very lives, they, too, are finally forced to make a painful decision that will tear them from their home... and from each other. Separated by miles, but bound together by love, they learn that devotion is what makes them a family... and that love is even more powerful than nature.

web this part of iso 9613 specifies an analytical method of calculating the attenuation of sound as a result of atmospheric absorption for a variety of meteorological conditions when the sound from any source propagates through the atmosphere outdoors

calculation of absorption of sound by the atmosphere - Mar 16 2023

web iso 9613 part 1 describes the calculation method for absorption of sound by the atmosphere for pure tones the standard specifies the attenuation coefficient as a function of frequency temperature humidity and pressure the calculator presented here computes the attenuation coefficient according to iso 9613 1 given those four variables
