Breaking the Silence Stephen P. Hinshaw, 2008-01-08 People with mental illness are far too often subjected to discrimination and unfair treatment It is particularly unfortunate that much of this stigmatization comes from the very people they depend upon for help those in the mental health professions Too many practitioners and scientists maintain us versus them attitudes and are extremely reluctant to admit any personal or family experiences of mental illness This culture of concealment must change and this book will change it A groundbreaking collection of moving and inspiring stories of serious mental disorder from trainees clinicians and scientists in the mental health professionals Breaking the Silence is the first book to reveal the deep commonalities between patients and professionals With an unprecedented level of honesty and disclosure the contributors

tell their own and their families stories of mental disorder. Renowned psychologist Steve Hinshaw, who previously disclosed his own family's struggles with misdiagnosed bipolar disorder and who has synthesized the world literature on the stigma of mental illness, integrates, synthesizes, and provides perspective on these revealing stories. As they relate their personal and family histories, the contributors also describe the serious impairments that can accrue, the strength and courage that can be derived, and the influence these experiences have had on their own decisions to enter the mental health field. Moving, in its honesty, frank in its disclosures, and sensitive in its portrayals, *Breaking the Silence* will be a beacon for those in the mental health professions, trainees across the many related fields, family members, and anyone who is dealing with mental illness. Its stark stories of pain, denial, and impairment, along with its clear messages of hope, courage, and resilience, will inspire for years to come.

Life Reimagined Richard J. Leider, Alan M. Webber, 2013-09-27 Winner of the 2014 Silver Nautilus Award. This enhanced edition includes nine moving video portraits of people who found passion, purpose, and profound fulfillment in places that surprised even them. Anybody can have a Life Reimagined moment. Are you asking, "What's next?" You've finished one chapter of your life story and you have yet to write the next one. Many of us face these transitions at midlife, but they can happen at any point. It's a time full of enormous potential, and it defines a whole new phase of life. It's called Life Reimagined. Here is your map to guide you in this new life phase. You can use the powerful practices and insights enhanced with online tools and exercises at AARP's LifeReimagined.org to help you uncover your own special gifts, connect with people who can support you, and explore new directions. You'll be inspired by meeting ordinary people who have reimagined their lives in extraordinary ways. You'll also read the stories of pioneers of the Life Reimagined movement, such as Jane Pauley, James Brown, and Emilio Estefan. One of the profound truths that underlies this book is the liberating notion that each of us is an experiment of one, free to find our own path in this new phase of our lives. No old rules, no outdated societal norms, no boundaries of convention or expectation. Each of the videos in the enhanced edition exemplifies the Life Reimagined manifesto of choice, curiosity, and courage. These are stories of ordinary people who hit a roadblock, looked around, saw something that spoke deeply to them, and boldly set off in a brand new direction. From a grandmother running her 73rd marathon to a tattooed truck driver who teaches Zumba on the side to a reluctant computer geek who had a pizza epiphany, they show that each of us has the freedom to choose our own way in our own way throughout all the years of our lives.
