(Henry Charles) Carey, 2018-07-09 The slave trade domestic and foreign Why It Exists and How It May Be Extinguished by H C Henry Charles Carey Slavery still exists throughout a large portion of what we are accustomed to regard as the civilized world In some countries men are forced to take the chance of a lottery for the determination of the question whether they shall or shall not be transported to distant and unhealthy countries there most probably to perish leaving behind them impoverished mothers and sisters to lament their fate In others they are seized on the highway and sent to sea for long terms of years while parents wives and sisters who had been dependent on their exertions are left to perish of starvation or driven to vice or crime to procure the means of support In a third class men their wives and children are driven from their homes to perish in the road or to endure the slavery of dependence on public charity until pestilence shall Send them to their graves and thus clear the way for a fresh supply of others like themselves In a fourth we see men driven to selling themselves for long periods at hard labour in distant countries deprived of the society of parents relatives or friends In a fifth men women and children are exposed to sale and wives are separated from husbands while children are separated from parents In some white men and in others black men are subjected to the lash and to other of the severest and most degrading punishments In some places men are deemed valuable and they are well fed and clothed In others man is regarded as a drug and population as a nuisance and Christian men are warned that their duty to God and to society requires that they should permit their fellow creatures to suffer every privation and distress short of absolute death with a view to prevent the increase of numbers We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades
