

Slavery and Crime in Missouri, 1773-1865

A thick, brown, knotted rope lies on a map of Missouri. The rope is coiled in a large loop on the left and a smaller loop on the right, with a central knot. The map in the background shows the state's borders and major rivers like the Mississippi and Missouri. The entire image is framed by a dark red border.

Harriet C. Frazier

Slavery And Crime In Missouri 1773 1865

Kelly M. Kennington

Slavery And Crime In Missouri 1773 1865:

Slavery and Crime in Missouri, 1773-1865 Harriet C. Frazier, 2001-01-01 Slavery and its lasting effects have long been an issue in America with the scars inflicted running deep This study examines crimes such as stealing burglary arson rape and murder committed against and by slaves with most of the author's information coming from handwritten court records and newspapers These documents show the death penalty rarely applied when a slave killed another slave but that it always applied when a slave killed a white person Despite Missouri's grim criminal justice system the state's best lawyers were called upon to represent slaves in court on serious criminal charges and federal law applied to all persons granting slaves in Missouri protection that few other slave states had By 1860 Missouri's population was only 10 percent slave the smallest percentage of any slave state in America

Done with Slavery Frank Mackey, 2010-02-01 Did slavery exist in Montreal and if so what did it look like Frank Mackey grapples with this question in *Done with Slavery* a study of black Montrealers in the eighty years between the British Conquest and the union of Lower and Upper Canada Through close examination of archival and contemporary sources Mackey uncovers largely unknown aspects of the black transition from slavery to freedom While he considers the changing legal status of slavery much of the book provides a detailed and nuanced reconstruction of the circumstances of black Montrealers and their lived experience The resulting picture is remarkably complex showing the variety of occupations held by blacks the relationships they had with those they served their encounters with the judicial and political systems and the racial mingling that came with intermarriage and apprenticeships *Done with Slavery* casts the categories of blackness and slavery in a new light showing that broad histories of the phenomenon must begin to take into account the specifics of the lives of marginal black populations *Done with Slavery* is an invitation to look at a colonial society through the prism of documented black experience revealing that the roots of the present are neither as wholesome as some would hope nor as bitter as others might suppose

African American Voices Steven Mintz, 2009-04-03 A succinct up to date overview of the history of slavery that places American slavery in comparative perspective Provides students with more than 70 primary documents on the history of slavery in America Includes extensive excerpts from slave narratives interviews with former slaves and letters by African Americans that document the experience of bondage Comprehensive headnotes introduce each selection A Visual History chapter provides images to supplement the written documents Includes an extensive bibliography and bibliographic essay

Women's Rights in the United States Tiffany K. Wayne, 2014-12-09 A comprehensive encyclopedia tracing the history of the women's rights movement in the United States from the American Revolution to the present day Few realize that the origin of the discussion on women's rights emerged out of the anti slavery movement of the 19th century and that suffragists were active in the peace and labor movements long after the right to vote was granted Thus began the confluence of activism in our country where the rights of women both followed and led the social and political discourse in America Through 4 volumes and more than 800 entries editor Tiffany K Wayne with advising editor Lois Banner

examine the issues people and events of women s activism from the early period of American history to the present time This comprehensive reference not only traces the historical evolution of the movement but also covers current issues affecting women such as reproductive freedom political participation pay equity violence against women and gay civil rights *The Battle of Carthage, Missouri* Kenneth E. Burchett,2012-12-01 The Battle of Carthage Missouri was the first full scale land battle of the Civil War Governor Claiborne Jackson s rebel Missouri State Guard made its way toward southwest Missouri near where Confederate volunteers collected in Arkansas while Colonel Franz Sigel s Union force occupied Springfield with orders to intercept and block the rebels from reaching the Confederates The two armies collided near Carthage on July 5 1861 The battle lasted for ten hours spread over several miles and included six separate engagements before the Union army withdrew under the cover of darkness The New York Times called it the first serious conflict between the United States troops and the rebels This book describes the events leading up to the battle the battle itself and the aftermath *Incident at the Otterville Station* John Christgau,2013-12-01 John Christgau relates the true story of the rescue of Walker s thirteen slaves by soldiers of the Ninth Minnesota Regiment and the soldiers subsequent arrest for mutiny *In the Shadow of Dred Scott* Kelly M. Kennington,2017-04-15 The Dred Scott suit for freedom argues Kelly M Kennington was merely the most famous example of a phenomenon that was more widespread in antebellum American jurisprudence than is generally recognized The author draws on the case files of more than three hundred enslaved individuals who like Dred Scott and his family sued for freedom in the local legal arena of St Louis Her findings open new perspectives on the legal culture of slavery and the negotiated processes involved in freedom suits As a gateway to the American West a major port on both the Mississippi and Missouri Rivers and a focal point in the rancorous national debate over slavery s expansion St Louis was an ideal place for enslaved individuals to challenge the legal systems and by extension the social systems that held them in forced servitude Kennington offers an in depth look at how daily interactions webs of relationships and arguments presented in court shaped and reshaped legal debates and public attitudes over slavery and freedom in St Louis Kennington also surveys more than eight hundred state supreme court freedom suits from around the United States to situate the St Louis example in a broader context Although white enslavers dominated the antebellum legal system in St Louis and throughout the slaveholding states that fact did not mean that the system ignored the concerns of the subordinated groups who made up the bulk of the American population By looking at a particular example of one group s encounters with the law and placing these suits into conversation with similar encounters that arose in appellate cases nationwide Kennington sheds light on the ways in which the law responded to the demands of a variety of actors **Daily Life along the Mississippi** George Pabis,2007-10-30 The Mississippi River has influenced the economy domestic life culture politics and rhythms of American daily life The Louisiana Purchase of 1803 and the victory at the Battle of New Orleans in 1813 gave the river a central part in the evolution of the United States Events such as the birth of jazz and technological advances such as the steamboat

solidified its place in American lore Pabis's rich thematic chapters detail the daily lives of those living along the Mississippi and the culture that surrounded it from the Native Americans at Cahokia to the rise of major port cities such as New Orleans St Louis and St Paul Readers will learn how the river's transportation economy fed America's agricultural heartland how ethnic ties and technological advances affected home and family life and how the region's current residents still cope with living in a flood culture An ideal resource for students of American history Pabis's rich thematic chapters explore many aspects of daily life including the influence of the Trans Atlantic fur trade on the lives of Native tribes how the river's transportation economy fed America's agricultural heartland the effects of ethnic ties and Jim Crow laws on the river communities the development of food production and cuisine and how present day residents cope with life in a flood culture including the effects of Hurricane Katrina Mark Twain once called the Mississippi the Body of the Nation Readers will learn how this influential region lived and breathed from day to day from pre Columbian times to the present An ideal reference source for any student of American history and culture

Massacre at St. Louis Kenneth E. Burchett, 2024-08-02 In 1861 Union Brigadier General Nathaniel Lyon marched through the divided slave state Missouri en route to St Louis Lyon was to arrest a state militia unit at Camp Jackson that planned to raid a federal arsenal in the city Upon capturing the men Lyon's troops encountered crowds of hostile citizens and after a gun shot they fired on the mob killing at least 28 civilians in what is now known as the Camp Jackson affair or the St Louis massacre In this book the author describes partisan activities leading to hostilities promotes awareness about the history of slavery in America and explores political divisions still evident in American culture Previously unpublished materials about Governor Claiborne Jackson are included as well as the role of Montgomery Blair in the fight for Missouri an analysis of the number of arms in the St Louis Arsenal and the unknown total number of casualties of the St Louis massacre

Before Lewis and Clark Shirley Christian, 2009-05-01 Before Lewis and Clark relates the extraordinary saga of the Chouteaus the dynastic family that guarded the gates to the West for three generations From their St Louis base the Chouteaus patrician and French in their origins made their fortunes along the two thousand mile length of the Missouri River Led by the brothers Auguste and Pierre the family not only engaged in land speculation finance and the fur trade but also acted as suppliers and advisers to expeditions and enterprises between the Mississippi River and the Rocky Mountains including the famous expedition of Meriwether Lewis and William Clark from 1804 to 1806 This is the story of the Old World meeting the New of the eastern United States discovering the West and of a wealthy powerful charming and manipulative family that dominated business and politics in the Louisiana Purchase territory before and after the Lewis and Clark expedition

Searching for Jim Terrell Dempsey, 2014-03-27 Searching for Jim is the untold story of Sam Clemens and the world of slavery that produced him Despite Clemens's remarks to the contrary in his autobiography slavery was very much a part of his life Dempsey has uncovered a wealth of newspaper accounts and archival material revealing that Clemens's life from the ages of twelve to seventeen was intertwined with the lives of the slaves

around him During Sam's earliest years his father John Marshall Clemens had significant interaction with slaves Newly discovered court records show the senior Clemens in his role as justice of the peace in Hannibal enforcing the slave ordinances With the death of his father young Sam was apprenticed to learn the printing and newspaper trade It was in the newspaper that slaves were bought and sold masters sought runaways and life insurance was sold on slaves Stories the young apprentice typeset helped Clemens learn to write in black dialect a skill he would use throughout his writing most notably in Huckleberry Finn Missourians at that time feared abolitionists across the border in Illinois and Iowa Slave owners suspected every traveling salesman itinerant preacher or immigrant of being an abolition agent sent to steal slaves This was the world in which Sam Clemens grew up Dempsey also discusses the stories of Hannibal's slaves their treatment condition and escapes He uncovers new information about the Underground Railroad particularly about the role free blacks played in northeast Missouri Carefully reconstructed from letters newspaper articles sermons speeches books and court records Searching for Jim offers a new perspective on Clemens's writings especially regarding his use of race in the portrayal of individual characters their attitudes and worldviews This fascinating volume will be valuable to anyone trying to measure the extent to which Clemens transcended the slave culture he lived in during his formative years and the struggles he later faced in dealing with race and guilt It will forever alter the way we view Sam Clemens Hannibal and Mark Twain [Black Lives and Spatial Matters](#) Jodi Rios, 2020-08-15 Black Lives and Spatial Matters is a call to reconsider the epistemic violence that is committed when scholars policymakers and the general public continue to frame Black precarity as just another racial cultural or ethnic conflict that can be solved solely through legal political or economic means Jodi Rios argues that the historical and material production of blackness as risk is foundational to the historical and material construction of our society and certainly foundational to the construction and experience of metropolitan space She also considers how an ethics of lived blackness living fully and visibly in the face of forces intended to dehumanize and erase can create a powerful counter point to blackness as risk Using a transdisciplinary methodology Black Lives and Spatial Matters studies cultural institutional and spatial politics of race in North St Louis County Missouri as a set of practices that are intimately connected to each other and to global histories of race and race making As such the book adds important insight into the racialization of metropolitan space and people in the United States The arguments presented in this book draw from fifteen years of engaged research in North St Louis County and rely on multiple disciplinary perspectives and local knowledge in order to study relationships between interconnected practices and phenomena [Crime and Justice, Volume 53](#) Michael Tonry, 2025-06-09 Presents cutting edge scholarship by preeminent criminology scholars Since 1979 Crime and Justice has presented a review of the latest international research providing expertise to enhance the work of sociologists psychologists criminal lawyers justice scholars and political scientists The series explores a full range of issues concerning crime its causes and its cures In both the review and the thematic volumes Crime and Justice offers an interdisciplinary approach to address core issues in

criminology **St. Louis Civil War Sites and the Fight for Freedom** Peter Downs,2022-09 The Monuments of a Divided State St Louis was at the center of several key Civil War events from the Dred Scott decision through the Mississippi Campaign that cut the Confederate States in two Visit the site from which enslaved people tried to cross the Mississippi River to the free state of Illinois Discover how hundreds of lawsuits by enslaved people set the stage for the Dred Scott decision that lit the fuse to the Civil War See the military base that produced over 200 Civil War generals and the arsenal that secessionists and unionists fought to control Author Peter Downs goes behind the monuments and historic sites to explore the people relationships and events that influenced the course of civil war in St Louis and the nation *Stolen Childhood* Wilma King,2020-03-04 An updated edition of the classic study that took an enormous step toward filling some of the voids in the literature of slavery The Washington Post Book World One of the most important books published on slave society *Stolen Childhood* focuses on the millions of children and youth enslaved in 19th century America This enlarged and revised edition reflects the abundance of new scholarship on slavery that has emerged Wilma King has expanded its scope to include the international dimension with a new chapter on the transatlantic trade in African children and the book s geographic boundaries now embrace slave born children in the North She includes data about children owned by Native Americans and African Americans and presents new information about children s knowledge of and participation in the abolitionist movement and the interactions between enslaved and free children A jarring snapshot of children living in bondage This compellingly written work is a testament to the strength and resilience of the children and their parents Booklist on the first edition **Stolen Childhood, Second Edition** Wilma King,2011-06-29 One of the most important books published on slave society *Stolen Childhood* focuses on the millions of children and youth enslaved in 19th century America This enlarged and revised edition reflects the abundance of new scholarship on slavery that has emerged in the 15 years since the first edition While the structure of the book remains the same Wilma King has expanded its scope to include the international dimension with a new chapter on the transatlantic trade in African children and the book s geographic boundaries now embrace slave born children in the North She includes data about children owned by Native Americans and African Americans and presents new information about children s knowledge of and participation in the abolitionist movement and the interactions between enslaved and free children *Mrs. Dred Scott* Lea VanderVelde,2010 In telling the life of Harriet Dred s wife and co litigant in the case this book provides a compensatory history to the generations of work that missed key sources only recently brought to light Moreover it gives insight into the reasons and ways that slaves used the courts to establish their freedom from publisher description **Enslaved Women in America** Daina Ramey Berry Ph.D.,Deleso A. Alford,2012-06-12 This singular reference provides an authoritative account of the daily lives of enslaved women in the United States from colonial times to emancipation following the Civil War Through essays photos and primary source documents the female experience is explored and women are depicted as central rather than marginal figures in

history Slavery in the history of the United States continues to loom large in our national consciousness and the role of women in this dark chapter of the American past is largely under examined This is the first encyclopedia to focus on the daily experiences and roles of female slaves in the United States from colonial times to official abolition provided by the 13th amendment to the Constitution in 1865 Enslaved Women in America An Encyclopedia contains 100 entries written by a range of experts and covering all aspects of daily life Topics include culture family health labor resistance and violence Arranged alphabetically by entry this unique look at history features life histories of lesser known African American women including Harriet Robinson Scott the wife of Dred Scott as well as more notable figures *Beyond Slavery* B. Broten, 2010-10-25 This book looks at a United States that continues to be driven by racial and cultural divisions from the disproportionately high number of incarcerated African Americans to heartfelt disagreements over the true nature of marriage and the proper role of faith in public policy The Black Reproductive Sara Clarke Kaplan, 2021-06-08 How Black women s reproduction became integral to white supremacy capitalism and heteropatriarchy and remains key to their dismantling In the United States slavery relied on the reproduction and other labors of unfree Black women Nearly four centuries later Black reproductivity remains a vital technology for the creation negotiation and transformation of sexualized and gendered racial categories Yet even as Black reproduction has been deployed to resolve the conflicting demands of white supremacy capitalism and heteropatriarchy Sara Clarke Kaplan argues that it also holds the potential to destabilize the oppressive systems it is supposed to maintain The Black Reproductive convenes Black literary and cultural studies with feminist and queer theory to read twentieth and twenty first century texts and images alongside their pre emancipation counterparts These provocative unexpected couplings include how Toni Morrison s depiction of infanticide regenders Orlando Patterson s theory of social death and how Mary Prince s eighteenth century fugitive slave narrative is resignified through the representational paradoxes of Gayl Jones s blues novel Corregidora Throughout Kaplan offers new perspectives on Black motherhood and gendered labor from debates over the relationship between President Thomas Jefferson and Sally Hemings to the demise of racist icon Aunt Jemima to discussions of Black reproductive freedom and abortion The Black Reproductive gives vital insight into the historic and ongoing conditions of Black unfreedom and points to the possibilities for a Black feminist practice of individual and collective freedom
