Die Slavischen Sprachen / The Slavic Languages. Halbband 1 Sebastian Kempgen,Tilman Berger,Peter Kosta,Karl Gutschmidt,2009 In many respects the agreement systems of Slavonic languages are close to canonical Controllers of agreement are often present they have overt expression of features and they take consistent agreements The target has obligatory bound expression of agreement and there is matching of features values for person number and gender How ever Slavonic also shows several very interesting instances of agreement choices induced by a range of different controller types These agreement choices provide good evidence for the constraints of the Agreement Hierarchy and the Predicate Hierarchy

as well as for various types of condition on agreement notably animacy and precedence **Polish Americans** Helena Znaniecka Lopata, 1976 For one semester undergraduate or graduate courses in accounting information systems A market leading text with the most comprehensive flexible coverage of AIS available Revel™ Accounting Information Systems delivers the most unprecedented coverage of each major approach to teaching AIS giving instructors the opportunity to reorder chapters and focus the material to suit their individual course needs The 15th Edition covers all of the most recent updates in AIS including how developments in IT affect business processes and controls the effect of recent regulatory developments on the design and operation of accounting systems and how accountants can use AIS to add value to an organization Not only will students see how AIS has changed the role of an accountant but they'll also be prepared for a successful accounting career in public practice industry or government Revel is Pearson's newest way of delivering our respected content Fully digital and highly engaging Revel replaces the textbook and gives students everything they need for the course Informed by extensive research on how people read think and learn Revel is an interactive learning environment that enables students to read practice and study in one continuous experience for less than the cost of a traditional textbook NOTE Revel is a fully digital delivery of Pearson content This ISBN is for the standalone Revel access card In addition to this access card you will need a course invite link provided by your instructor to register for and use Revel **Die slavischen Sprachen / The Slavic Languages. Songs in Texas Frances Barton, John K. Novak, 2021-07-15 On any weekend in Texas Czech polka music enlivens dance halls and drinking establishments as well as outdoor church picnics and festivals The songs heard at these venues are the living music of an ethnic community created by immigrants who started arriving in Central Texas in the mid nineteenth century from what is now the Czech Republic Today the members of this community speak English but their songs are still sung in Czech Czech Songs in Texas includes sixty one songs mostly polkas and waltzes The songs themselves are beloved heirlooms ranging from ceremonial music with origins in Moravian wedding traditions to exuberant polkas celebrating the pleasures of life For each song the book provides music notation and Czech lyrics with English translation An essay explores the song s European roots its American evolution and the meaning of its lyrics and lists notable performances and recordings In addition to the songs and essays Frances Barton provides a chapter on the role of music in the Texas Czech ethnic community and John K Novak surveys Czech folk and popular music in its European home The book both documents a specific musical inheritance and serves as a handbook for learning about a culture through its songs As folklorist and polka historian James P Leary writes in his foreword Barton and Novak take us on a poetic historical and ethnographic excursion deep into a community s expressive heartland Their Czech Songs in Texas just might be the finest extant annotated anthology of any American immigrant ethnic group s regional song tradition **The Encyclopedia Britannica** Hugh Chisholm, 1910
