A NEW KIND OF TALK OF OBSESSION AND MURDER

Sleeping With Jane Austen

Sleeping With Jane Austen:

Sleeping with Jane Austen David Aitken, 2000 What society chooses to call Daniel Adamson's crime is the extreme fondness he has for women's ears. A preference that leads him to commit murder, arson, to consort with rent girls, even to sink to autobiography as he languishes in a mental hospital. A riveting tale of obsession and murder which turns the crime genre on its head and introduces a detective unique in the annals of recorded crime by dint of his utter lack of interesting traits. Major proof copy mailing and publicity push. *Sleep and the Novel* Michael Greaney, 2018-04-04 Sleep and the Novel is a study of representations of the sleeping body in fiction from 1800 to the present day which traces the ways in which novelists have engaged with this universal indispensable but seemingly nondescript region of human experience. Covering the narrativization of sleep in Austen, the politicization of sleep in Dickens, the queering of sleep in Goncharov, the aestheticization of sleep in Proust and the medicalization of sleep in contemporary fiction, it examines the ways in which novelists envision the figure of the sleeper, the meanings they discover in human sleep and the values they attach to it. It argues that literary fiction harbours on its margins a sleeping partner, one that we can nickname the Schlafroman or sleep novel, whose quiet absorption in the wordlessness and passivity of human slumber subtly complicates the imperatives of self-awareness and purposive action that traditionally govern the novel. *Sleeping Beauty* Judith Michael, 2013-03-26 Judith Michael brings us a

mesmerizing story of love, politics, family and revenge in *Sleeping Beauty*. She has money, possessions, power. Now love becomes the only measure of success. From a wealthy Chicago suburb to the streets of San Francisco, from Los Angeles to Washington's treacherous enclaves, from a chic Colorado resort to the site of a fabulous treasure buried in Egypt, Judith Michael brings us a mesmerizing story of love, politics, family and revenge. Anne Garnett is a brilliant Los Angeles divorce lawyer, tough, smart and untouchable. The vulnerable girl who ran away from her wealthy influential family is hidden now behind the glossy facade of her high-powered career. Only the death of Anne's beloved grandfather can bring her back to the town he built, Tamarack, the Colorado playground of the rich and famous. Once there, she is drawn again into the tangled passions and fortunes of who betrayed her so long ago. Embraced by a sister's love, challenged by a man who offers her everything she could want, Anne is confronted once more by Senator Vincent Chatham, the charismatic man who still waits to destroy her. But Anne is no longer a frightened girl. She is a proud, beautiful woman who must release the paralyzing pain of the past and discover her power to win in a battle for family empire, honor and the richest treasure of all: a deep, abiding love.

Sleep Fictions Hannah L. Huber, 2023-11-21 The literary response to the dawning cult of wakefulness. A turn of the century influx of new technologies and the enormous impact of the electric light transformed not only individual sleeping habits but the ways American culture conceived and valued sleep. Hannah L. Huber analyzes the works of Henry James, Edith Wharton, Charles Chesnut, and Charlotte Perkins Gilman to examine the literary response to the period's obsession with wakefulness. As these writers blurred the separation of public and private space, their characters faced exhaustion in a

modern world that permeated every moment of their lives with artificial light traffic noise and the social pressure to remain active at all hours The implacable cultural clock and constant stress over physical limitations had an even greater impact on marginalized figures Huber pays particular attention to how these writers rebutted Americans confidence in the body s ability to conquer sleep with vivid portraits of the devastating consequences of sleep disruption and deprivation The author also provides a website and text visualization tool that offers readers an interdisciplinary deconstructed analysis of the book s primary texts The website can be found at <https://sleepfictions.org/sleep-scalar-index> **The Man Who Couldn't Sleep**

Technosleep Catherine Coveney,Michael Greaney,Eric L. Hsu,Robert Meadows,Simon J. Williams,2023-06-25 This book draws on a variety of substantive examples from science technology medicine literature and popular culture to highlight how a new technoscientifically mediated and modified phase and form of technosleep is now in the making in the global north at least and to discuss the consequences for our relationships to sleep the values we accord sleep and the very nature and normativities of sleep itself The authors discuss how technosleep at its simplest denotes the coming together or entanglements of sleep and technology and sensitizes us to various shifts in sleep technology relations through culture time and place In doing so it pays close attention to the salience and significance of these trends and transformations to date in everyday night life their implications for sleep inequalities and the related issues of sleep and social justice they suggest

Sexual Enjoyment in British Romanticism David Sigler,2015-03-01 Debates about gender in the British Romantic

period often invoked the idea of sexual enjoyment there was a broad cultural concern about jouissance the all engulfing pleasure pertaining to sexual gratification On one hand these debates made possible the modern psychological concept of the unconscious since desire was seen as an uncontrollable force the unconscious became the repository of disavowed enjoyment and the reason for sexual difference On the other hand the tighter regulation of sexual enjoyment made possible a vast expansion of the limits of imaginable sexuality In *Sexual Enjoyment and British Romanticism* David Sigler shows how literary writers could resist narrowing gender categories by imagining unregulated enjoyment As some of the era s most prominent thinkers including Edmund Burke Mary Wollstonecraft Mary Robinson Joanna Southcott Charlotte Dacre Jane Austen and Percy Bysshe Shelley struggled to understand sexual enjoyment they were able to devise new pleasures in a time of narrowing sexual possibilities Placing Romantic era literature in conversation with Lacanian psychoanalytic theory *Sexual Enjoyment in British Romanticism* reveals the fictive structure of modern sexuality makes visible the diversity of sexual identities from the period and offers a new understanding of gender in British Romanticism

Sleep and its spaces in Middle English literature Megan G. Leitch, 2021-07-06 Middle English literature is intimately concerned with sleep and the spaces in which it takes place In the medieval English imagination sleep is an embodied and culturally determined act It is both performed and interpreted by characters and contemporaries subject to a particular habitus and understood through particular hermeneutic lenses While illuminating the intersecting medical and moral discourses by which it is shaped sleep also sheds light on subjects in favour of which it has hitherto been overlooked what sleep can enable dreams and dream poetry or what it can stand in for or

supersede desire and sex This book argues that sleep mediates thematic concerns and questions in ways that have ethical affective and oneiric implications At the same time it offers important contributions to understanding different Middle English genres romance dream vision drama and fabliau **Twilight Sleep by Edith Wharton - Delphi Classics**
