1, A History Mary Beard, John North, Simon Price, 1998-06-28 This book offers a radical new survey of more than a thousand years of religious life at Rome. It sets religion in its full cultural context between the primitive hamlet of the eighth century BC and the cosmopolitan multicultural society of the first centuries of the Christian era. The narrative account is structured around a series of broad themes: how to interpret the Romans' own theories of their religious system and its origins; the relationship of religion and the changing politics of Rome; the religious importance of the layout and monuments of the city; itself; changing ideas of religious identity and community; religious innovation and ultimately revolution. The companion volume *Religions of Rome: A Sourcebook* sets out a wide range of documents richly illustrating the religious life in the Roman world.

Helped by Rosemary and a purloined notebook Nick comes across a strange brotherhood based on ancient and arcane wisdom of Balqis Queen of Sheba. He is also drawn into a plan to catch colleagues receiving illicit payments for the return of temporarily imported cars seized by C E which involves Rosemary going undercover. However sorting these out costs another life and isn't without risk to their lives as well. *Misfits and Miscreants* is the twenty eighth book published in a series of detective stories set mostly in HM Customs & Excise by Richard Hernaman Allen a former Commissioner.
