Sociology, Gender and Educational Aspirations Carol Fuller, 2011-07-07 Annotation

[Gender, Work and Social Theory](#) Kate Huppatz, 2023-04-20 How is gender signified produced and reproduced through paid and unpaid labour In what ways does gender intersect with other kinds of disadvantage How does power work through interactions emotions and bodies In this original synthesis of social theory and its application to gender and work Kate Huppatz draws from classical theory and principles of the cultural turn to explore how feminist sociology dismantles dualistic understandings of gender and scrutinizes the workings of power In a tour de force of exposition and analysis of landmarks in the literature Huppatz reflects upon continuities and departures in cutting edge research on gender within organizations unpaid domestic labour and paid and unpaid care work Close

attention is paid to pressing issues such as the intersectionality of inequality in the workplace relations between micro activities and larger social processes and the impact of Covid 19 on exposing and exacerbating the gendered inequalities of work Case examples drawn from North America Australasia and the UK illustrate social theory in practice Throughout Huppatz emphasizes the importance of theoretical understandings in furthering empirical research about gender and work She also considers the gendered division of labour within the study of work and employment itself This key new addition to the Themes in Social Theory series is an essential read for advanced undergraduates postgraduates and researchers interested in this area of study across a wide range of disciplines

Gender, Feminism, and Queer Theory in the Self-Study of Teacher Education Practices Monica Taylor, Lesley Coia, 2014-08-07 This edited volume gives explicit attention to the influence of gender feminism and queer theory in self study of teacher education practices It builds on the self study community's interest in social justice that has mostly been focused on race ethnicity gender disability and power as well as broad conceptions that include multiculturalism and ways of knowing This is the time to examine gender both because our community is growing and because of the reconceptualization of issues of gender feminism and queer theory in teacher education This collection of papers provides a space for members of the self study field from founders to welcomed new members along with the general community of teacher educators to problematize these issues through a variety of theoretical lenses As always with self study the impetus of the research is on the improvement of individual practice Readers will find innovative approaches and insights into their own work as teacher educators

Gender and Labour in New Times Lisa Adkins, Maryanne Dever, 2018-02-02 This book is concerned with the gender order of post Fordism and especially the labour demanded from many women by post Fordist capitalism It maps and traces these demands as well their entanglement in complex processes of value creation In so doing the contributors elaborate how processes of financialization calls for work readiness new modes of economic calculation processes of economization and emergent regulatory strategies are reconfiguring labour and life in post Fordism and summoning new forms of women's work Contributors also map how these same processes are repositioning feminism especially feminism as a mode of critique Feminism here stands not in an external relation to the objects and matters it seeks to critique but as implicated in those very objects In mapping this terrain Gender and Labour in New Times opens out new feminist research agendas for the study of the post Fordist labour and the modes of regulation that post Fordism as a regime of capital accumulation entails This book was originally published as a special issue of Australian Feminist Studies

Gender And Social Theory Evans, Mary, 2003-02-01 What is the most significant aspect of current literature on gender How does this literature engage with social theory How does the recognition of gender shift the central arguments of social theory We know that gender defines and shapes our lives The question addressed by Gender and Social Theory is that of exactly how this process occurs and what the social consequences and the consequences for social theory might be The emergence of feminist theory has enriched our understanding of the impact of gender on our individual lives and the contemporary social sciences all recognise gender differentiation in the social world The issue however which this book discusses is the more complex question of the extent to which social theory is significantly disrupted disturbed or devalued by the fuller recognition of gender difference We know that gender matters but Mary Evans examines whether social theory is as blind to gender as is sometimes argued and considers the extent to which a greater awareness of gender truly shifts the concerns and conclusions of social theory Written by an author with an international reputation this is an invaluable text for students and an essential reference in the field
