Sociology Matters With Powerweb:

Sociology Matters with PowerWeb Richard T. Schaefer, 2005-03 This is a low cost paperback condensed version of *Sociology A Brief Introduction Sixth Edition* The conciseness readability and highly focused coverage of *Sociology Matters* are designed to appeal to instructors who rely on several texts rather than on a single comprehensive textbook Its design and pedagogy are both straightforward and streamlined *Sociology Matters* features newly written chapter introductions and a unifying theme answering the question How does sociology matter After more than 30 years of teaching sociology to students in colleges adult education programs nursing programs an overseas program based in London and even a maximum security prison I am firmly convinced that the discipline can play a valuable role in teaching critical thinking skills Sociology can help students to better understand the workings of their own lives as well as of their society and other cultures Richard T Schaefer

Sociology Matters Richard T. Schaefer, 2006 Richard Schaefer's *Sociology Matters* is a very concise introduction to the discipline of sociology Its straightforward style streamlined design and highly focused coverage make it the perfect short affordable introductory text for instructors who use a variety of materials in their course *Sociology Matters* helps students understand and connect to the topics it covers by answering the question How does sociology matter After more than 30 years of teaching sociology to students in colleges adult education programs nursing programs an overseas program based in London and even a maximum security prison I am firmly convinced that the discipline can play a valuable role in teaching critical thinking skills Sociology can help students to better understand the workings of their own lives as well as of their society and other cultures Richard T Schaefer

Michigan Sociological Review, 2005 **Sociology, with PowerWeb** Richard T. Schaefer, 2005-12 Like its predecessors the tenth edition of this text reflects Rick Schaefer's mission to bring readers a comprehensive up to date presentation that teaches them how to think critically about society and their own lives from a wide range of classical and contemporary perspectives Combining balanced coverage of theory with current research findings distinctive social policy sections examples of interest to students and abundant learning aids and exercises this text will help students develop a sociological imagination An optional package combines Schaefer *Sociology* with *PowerWeb Tenth Edition* and *Reel Society Interactive Movie 2.0* CD ROM at nominal extra cost The introductory sociology class provides the ideal laboratory in which to study our own society and those of our global neighbors The distinctive emphasis on social policy found in this text shows students how to use the sociological imagination in examining such public policy issues as sexual harassment the AIDS crisis welfare reform the death penalty and privacy and censorship in an electronic age Richard T Schaefer

Sociology Richard T. Schaefer, 2005 **Sociology** Richard T. Schaefer, 2004 Three basic premises guide this highly successful introductory text first that theory and research must be both comprehensive and clear second that the text must show how sociology is relevant both to the study of society and to students lives and third that sociology can play a valuable role in teaching critical thinking skills To that end this solid well respected text combines a

balanced three perspective approach with excellent student oriented examples and distinctive social policy sections in a concise presentation that offers an alternative to full length books Creating a Power Web Site Gail Junion-Metz, Brad Stephens, 1998 Describes the skills and tools needed to upgrade library Web sites providing information about HTML basic design tagging imagemaps table creation frame building PERL programming language and other topics and features library specific examples sample scripts forms and exercises Includes a CD ROM with ready to load forms **Paul and Rhetoric** J. Paul Sampley, Peter Lampe, 2013-06-20 Paul and Rhetoric contains essays that have been presented in a seminar called Paul and Rhetoric in the annual meetings of the Studiorum Novi Testamenti Societas the leading international forum for New Testament and Christian Origin scholars Translated into English these essays by leaders in the field and in the topic engage and represent modern scholarship on Paul and rhetorical studies The foundational essays are listed under the heading State of the Discussion attempting to take the major rhetorical categories of the time contemporary with Paul types of rhetoric invention and arrangement and figures and tropes and first lays out where the discussion is now They then note the problems and highlights where continued discussion and deliberation would be helpful The Broad Questions section asks what can be learned about reading Paul s letters to congregations in light of ancient epistolography how theology and rhetoric are related because the two are often treated as if they are alien to one another and how ancient rhetoric and ancient psychology are associated with one another All in all a volume that illustrates examines and assesses where we are now in the study of rhetorical traditions in Pauline scholarship and in some instances suggests the direction of future studies **Sociology** Richard T. Schaefer, 2003 Like its predecessors the fifth edition of this concise text reflects Rick Schaefer s mission to bring readers a comprehensive up to date presentation that teaches them how to think critically about society and their own lives from a wide range of classical and contemporary perspectives Combining balanced coverage of theory with current research findings distinctive social policy sections examples and issues of interest to students and abundant learning aids and exercises this text will help students develop a sociological imagination In the aftermath of September 11 2001 sociology has been called on to explain the social consequences of the attacks The introductory sociology class provides the ideal laboratory in which to study our own society and those of our global neighbors Sociology can help students to better understand the workings of their own lives as well as of their society and other cultures Richard T Schaefer *Forthcoming Books* Rose Arny, 2004
