

THE SOCIOLOGY OF DEVIANCE

AN OBITUARY

Colin Sumner

Sociology Of Deviance An Obituary

JE Gale

Sociology Of Deviance An Obituary:

The Sociology of Deviance Colin Sumner,1994 Documents the field of sociology of deviance from its conception to its coming of age in late 1930s sociology The text examines the heyday of the field as a popular science and critique of social control in the 1960s and analyzes its death at the hands of the post 1968 critics **Sociology of Deviance** Colin

Sumner,2013 *The Death and Resurrection of Deviance* M. Dellwing,J. Kotarba,N. Pino,2014-10-22 Are reports of the death of deviance premature This collection brings together leading international scholars to analyse uses of the deviance concept to argue its vitality and show its possible utility in a variety of fields including religion education and media narratives **Colin Sumner** David Moxon,2020-01-28 This book explores the work of criminologist Colin Sumner It re

presents his arguments and ideas on Marxism ideology censure deviance crime underdevelopment social control and the media situating them in their wider social context Moxon argues that Sumner should be restored within the criminology discipline as a pioneer who has produced works of great theoretical sophistication and insight By systematically considering Sumner s entire output the book shows how his thought involved a gradually deepening understanding of his core notion of ideological censure His writing is also marked by a growing unease with the effects of late modern capitalism and the quagmire of censoriousness rife in the 21st century This book makes clear that Sumner s work was remarkably prescient and his ideas may help up to make sense of complicated times **Routledge Handbook of Deviant Behavior** Clifton D.

Bryant,2012-04-27 The Handbook of Deviant Behavior presents a comprehensive integrative and accessible overview of the contemporary body of knowledge in the field of social deviance in the twenty first century This book addresses the full range of scholarly concerns within this area including theoretical methodological and substantive issues in over seventy original entries written by an international mix of recognized scholars Each of these essays provides insight not only into the historical and sociological evolution of the topic addressed but also highlights associated notable thinkers research findings and key published works for further reference As a whole this Handbook undertakes an in depth evaluation of the contemporary state of knowledge within the area of social deviance and beyond this considers future directions and concerns that will engage scholars in the decades ahead The inclusion of comparative and cross cultural examples and discussions relevant case studies and other pedagogical features make this book an invaluable learning tool for undergraduate and post graduate students in disciplines such as criminology mental health studies criminal theory and contemporary sociology

Creating Deviance Daniel L. Dotter,2004-08-20 Creating Deviance is a basic text introductory text for deviance studies Dotter identifies the convergences between social deviance the interactionist tradition and the construction of cultural meaning He provides an in depth analysis of the significant theoretical contribution of interactionism to the study of deviant behavior and crime examining the works of George Herbert Mead Herbert Blumer Howard S Becker Edwin Shur and Norman Denzin among others Dotter applies this framework to a number of specific scenarios such as the persistence of

gender inequality the formation of youth subcultures the contemporary politicization of race in the criminal justice system and media generated public representations of stigmatization His text will be a valuable resource in any introductory course to the study of deviance and crime the sociology of deviance and social control and introductory criminology courses

Encyclopedia of Violence, Peace, and Conflict, 2008-09-05 The 2nd edition of Encyclopedia of Violence Peace and Conflict provides timely and useful information about antagonism and reconciliation in all contexts of public and personal life Building on the highly regarded 1st edition 1999 and publishing at a time of seemingly inexorably increasing conflict and violent behaviour the world over the Encyclopedia is an essential reference for students and scholars working in the field of peace and conflict resolution studies and for those seeking to explore alternatives to violence and share visions and strategies for social justice and social change Covering topics as diverse as Arms Control Peace Movements Child Abuse Folklore Terrorism and Political Assassinations the Encyclopedia comprehensively addresses an extensive information area in 225 multi disciplinary cross referenced and authoritatively authored articles In his Preface to the 1st edition Editor in Chief Lester Kurtz wrote The problem of violence poses such a monumental challenge at the end of the 20th century that it is surprising we have addressed it so inadequately We have not made much progress in learning how to cooperate with one another more effectively or how to conduct our conflicts more peacefully Instead we have increased the lethality of our combat through revolutions in weapons technology and military training The Encyclopedia of Violence Peace and Conflict is designed to help us to take stock of our knowledge concerning these crucial phenomena Ten years on the need for an authoritative and cross disciplinary approach to the great issues of violence and peace seems greater than ever More than 200 authoritative multidisciplinary articles in a 3 volume set Many brand new articles alongside revised and updated content from the First Edition Article outline and glossary of key terms at the beginning of each article Entries arranged alphabetically for easy access Articles written by more than 200 eminent contributors from around the world **The New Criminology Revisited** P. Walton,J. Young,2016-07-27 In 1973 The New Criminology was published and quickly established itself as a key textbook in criminology casting a major influence over a generation of scholars It has remained in print ever since This volume published twenty five years later traces the major developments in the field including feminism postmodernism critical criminology and realism The articles are by leading authorities from Britain the United States and Australia and include Stan Cohen Elliott Currie Pat Carlen and Kerry Carrington as well as separate commentaries by the three original authors themselves Ian Taylor Paul Walton and Jock Young [The Blackwell Companion to Criminology](#) Colin Sumner,2008-04-15 The Blackwell Companion to Criminology provides a contemporary and global resource to scholarship in both classical and topical areas of criminology Written accessibly and with its international perspective and first rate scholarship this is truly the first global handbook of criminology Editors and contributors are international experts in criminology offering a comparative perspective on theories and systems Contains full discussion of key debates and theories

the implications of new topics studies and ideas and contemporary developments Coverage includes class gender and race criminal justice juvenile delinquency punishment mass media international crimes and social control **Reader's Guide to Lesbian and Gay Studies** Timothy F. Murphy, 2000 A guide to existing academic literature on issues persons periods and topics important in lesbian and gay studies With a focus on book length studies in English entries offer a very brief introduction and a more detailed overview of the secondary literature including the relative merits of each source under consideration While the overall arrangement of entries is alphabetical other means of access include a booklist general indexes cross references and a thematic list African American culture AIDS art and artists Asian studies biological sciences lesbian and gay culture education family gender studies history law literature media studies medicine music performing arts politics psychology philosophy and ethics and others Annotation copyrighted by Book News Inc Portland OR
