Sociology Of Education In Canada Critical Perspectives:

The Sociology of Education in Canada Terry Wotherspoon, 2004 In this revised and updated second edition of *The Sociology of Education in Canada* Terry Wotherspoon traces the historical development and organization of Canadian education and describes sociological theories and analysis of education *Sociology of Education in Canada* Lorna

Erwin, David R. MacLennan, 1994 **Critical Perspectives in Canadian Music Education** Carol A. Beynon, Kari K.

Veblen, 2012-09-01 Music education in Canada is a vast enterprise that encompasses teaching and learning in thousands of public and private schools community groups and colleges and universities It involves participants from infancy to the elderly in formal and informal settings Nevertheless as post secondary faculties of music and programs are growing significantly academic books and materials grounded in a Canadian perspective are scarce This book attempts to fill that need by offering a collection of essays that look critically at various global issues in music education from a Canadian perspective Topics range from a discussion of the roots of music education in Canada and analysis of music education practices across the country to perspectives on popular music distance education technology gender globalization Indigenous traditions and community music in music education Foreword by composer R Murray Schafer *Critical Perspectives on International*

Education Yvonne Hébert, Ali A. Abdi, 2013-02-11 In rapidly globalizing spaces of life any research project on international education would necessarily have multi directional emphases with the quality of observations and analyses reflecting the expanding political economic and cultural intersections which characterize this potentially promising century To respond to these emerging learning and living contexts of our world this book brings together some of the most active and established scholars in the field As such the book represents important epistemic interventions that analyze and critique the institutional socio economic linguistic and pedagogical platforms of international education As the locus of international education cannot be detached from the pragmatics of social development the specific recommendations embedded in this book expand the debates and broaden the boundaries of learning projects that should enhance the lives of people especially those who are continually marginalized by the regimes of globalization Thus the book actively advocates for possibilities of human well beings via different formats of education in diverse locations of life *Critical Perspectives on International Education* offers a historically comprehensive intellectually honest and perspective rich scholarly exploration of a new education globalization dynamic This book courageously offers up diverse voices gathered into a robust and useful conversation regarding global education This book adds greatly to understanding why educational marketplaces must be driven by principles and practices that empower diverse peoples to secure sustainable knowledge benefits that contribute to personal local national and international well being This critical perspective reader will engage scholars researchers and citizens Jim Paul University of Calgary In the current intensifications of globalization and its resulting inequalities it is crucial to better understand the role of knowledge creation and knowledge dissemination Should knowledge be only a commodity to be sold in the market and a

tool to increase economic capital or should it be a shared sociocultural capital aimed at improving democracy and the common good In *Critical Perspectives on International Education* Yvonne H bert and Ali A Abdi assemble an impressive array of contributions from all over the world that address this question from a variety of critical perspectives and case studies I recommend this book to everyone interested in the connections between education citizenship development and human well being Daniel Schugurensky Arizona State University

The Age of Knowledge James Dzisah, Henry Etzkowitz, 2011-10-14 The Age of Knowledge emphasizes that the ongoing transformations of knowledge both within universities and for society more generally must be understood as a reflection of the larger changes in the constitutive social structures within which they are invariably produced translated and reproduced

Identity and Belonging among Chinese Canadian Youth Dan Cui, 2023-10-31 Identity and Belonging among Chinese Canadian Youth unveils how Chinese immigrant youth struggle as racialized minorities at school in their family and through their formative interactions with Canadian mainstream media Utilizing rich interview data the author explores how the contemporary forms of racism multiculturalism immigration and transnationalism affect the identity construction of second generation Chinese immigrant youth in Canada as well as their negotiation of belonging at social institutions through schools and mainstream media in Canada The text systematically examines the lived experiences and perceptions of Chinese immigrant youth in relation to race ethnicity and class Uniquely extending Bourdieu's concept of habitus to race and ethnicity the author traces issues of racism and model minority discourses not only to systemic and institutional origins but also to internalized individual ways of thinking doing and being This book will appeal to academics and scholars tracing racial inequality through the multiplicity of Asian diasporas in Western societies as well as researchers seeking new understandings of modern day school and media and with interests in multicultural education sociology of education and theories of race and ethnicity
