Sociomedical Health Indicators:

Sociomedical Health Indicators Jack Elinson, Athalia E Siegmann, 2019-03-19 Includes a series of fact filled articles aimed at replacing blind faith in the effectiveness of health services with objective standards for health care delivery This title is intended for various health care practitioners

Socio-medical Health Indicators Jack Elinson, Athalia E. Siegmann, 1979 This monograph is devoted to expositions by some active investigators of their current work on sociomedical health indicators It will be seen that their work concededly in various stages of early development has begun to move from conceptualization to operationalization Dissatisfaction with the limitations of conventional biomedical measures of mortality and morbidity is no longer enough 1 2 Snide commentary on the vagueness of the humanitarian definition of health presented by the World Health Organization should also be passe The contents of this volume demonstrate that serious efforts to breathe some life into the WHO definition are finally being made

Sociomedical Health Indicators Jack Elinson, 1976

Health Goals And Health Indicators Jack Elinson, 2019-03-04 This volume brings together the perspectives and expertise of both medical and social sciences The major topics include criteria for the determination of health goals the analysis of health policies and the indicators of health status that may be used to judge the consequences of health practices and policies Unmet health care needs current national health policy and local planning health data for policy and planning and future directions in national health policy are also examined These issues are then considered in light of the readiness of the sociomedical sciences to measure health status Contributors discuss the behavioral measurement of health status the measurement of psychological well being the assessment of dental health needs and the possible impact of recently developed sociomedical health indicators on health policy
