

SOCRATES' DISCURSIVE DEMOCRACY

*Logos and Ergon in Platonic
Political Philosophy*

Gerald M. Mara

Socrates Discursive Democracy Logos And Ergon In Platonic Political Philosophy

Steven Frankel, John Ray

Socrates Discursive Democracy Logos And Ergon In Platonic Political Philosophy:

Socrates' Discursive Democracy Gerald M. Mara, 1997-02-27 Focusing on the speeches and actions of the Platonic Socrates this book argues that Plato's political philosophy is a crucial source for reflection on the hazards and possibilities of democratic politics

Socrates' Discursive Democracy Gerald M. Mara, 1997-01-01 Focusing on the speeches and actions of the Platonic Socrates this book argues that Plato's political philosophy is a crucial source for reflection on the hazards and possibilities of democratic politics

The Cambridge Companion to Ancient Greek Political Thought Stephen G. Salkever, 2009-04-27 A guide to the central texts and problems in ancient Greek political thought from Homer through the Stoics and Epicureans

The Civic Conversations of Thucydides and Plato Gerald M. Mara, 2008-07-15 This book argues that classical political philosophy represented in the works of Thucydides and Plato is an important resource for both contemporary democratic political theory and democratic citizens By placing the Platonic dialogues and Thucydides History in conversation with four significant forms of modern democratic theory the rational choice perspective deliberative democratic theory the interpretation of democratic culture and postmodernism Gerald M Mara contends that these classical authors are not enemies of democracy Rather than arguing for the creation of a more encompassing theoretical framework guided by classical concerns Mara offers readings that emphasize the need to focus critically on the purposes of politics and therefore of democracy as controversial yet unavoidable questions for political theory

What Would Socrates Do? Joel Alden Schlosser, 2014-07-14 This book challenges popular modern views of Socrates by examining the political significance of his activity in ancient Athens

Equality and Excellence in Ancient and Modern Political Philosophy Steven Frankel, John Ray, 2023-04-01 Is it possible to reconcile human excellence with a dedication to equality Equality and Excellence in Ancient and Modern Political Philosophy explores the meaning conflict and potential resolution of the tension between human excellence and equality in the thought of philosophers from Greek antiquity to modern times Each chapter is devoted to the thought of a particular thinker and the chapters are arranged chronologically Interpretations offered here rely on close readings of the major texts by critically important thinkers from Plato Aristotle and Xenophon in antiquity to a broad range of modern thinkers from Spinoza to Rawls

Readings of Plato's Apology of Socrates Oda E. Wiese Tvedt, Vivil Valvik Haraldsen, Olof Pettersson, 2017-12-28 In Plato's Apology of Socrates we see a philosopher in collision with his society a society he nonetheless claims to have benefited through his philosophic activity It has often been asked why democratic Athens condemned a philosopher of Socrates character to death This anthology examines the contribution made by Plato's Apology of Socrates to our understanding of the character of Socrates as well as of the conception of philosophy Plato attributes to him The 11 chapters offer complementary readings of the Apology which through their different approaches demonstrate the richness of this Platonic work as well as the various layers that can be discerned in its presentation of Socrates While the contributions display variety in both topics and angles they also share common features An awareness of

the importance of the literary aspects of Plato's courtroom drama as well as a readiness to take into consideration the historical context of the work. Thereby they provide contributions to a manifold understanding of the aims and impact of the work without losing sight of the philosophical questions that are raised by Socrates' confrontational and unrepentant defense speech. Allowing the character of Socrates to take center stage, the chapters of this volume examine the philosopher in relation to ethics and to politics and democracy as well as to the ideology, religion, and virtue shared by the Athenians. Readers will also find reflections on classical Platonic subjects such as the nature of Socratic philosophical inquiry and of philosophy itself as well as on the notoriously ambiguous relationships between philosophy, sophistry, and rhetoric and their several relationships to truth and justice. The anthology emphasizes and explores the equivocal and sometimes problematic aspects of Socrates as Plato presents him in the *Apology*, illuminating why the Athenians let the verdict fall as they did while drawing out problematic features of Athenian society and its reaction to Socrates' philosophic activity, thereby encouraging reflection on the role philosophy can play in our modern societies.

Aristotle's Dialogue with Socrates Ronna Burger, 2009-07-01 What is the good life for a human being? Aristotle's exploration of this question in the *Nicomachean Ethics* has established it as a founding work of Western philosophy, though its teachings have long puzzled readers and provoked spirited discussion. Adopting a radically new point of view, Ronna Burger deciphers some of the most perplexing conundrums of this influential treatise by approaching it as Aristotle's dialogue with the Platonic Socrates. Tracing the argument of the *Ethics* as it emerges through that approach, Burger's careful reading shows how Aristotle represents ethical virtue from the perspective of those devoted to it while standing back to examine its assumptions and implications. This is the best book I have read on Aristotle's *Nicomachean Ethics*. It is so well crafted that reading it is like reading the *Ethics* itself in that it provides an education in ethical matters that does justice to all sides of the issues. Mary P. Nichols, Baylor University

Plato the Teacher William H. F. Altman, 2012-02-16 In this unique and important book, William Altman shines a light on the pedagogical technique of the playful Plato, especially his ability to create living discourses that directly address the student. Reviving an ancient concern with reconstructing the order in which Plato intended his dialogues to be taught, as opposed to determining the order in which he wrote them, Altman breaks with traditional methods by reading Plato's dialogues as a multiplex but coherent curriculum in which the Allegory of the Cave occupies the central place. His reading of Plato's *Republic* challenges the true philosopher to choose the life of justice exemplified by Socrates and Cicero by going back down into the Cave of political life for the sake of the greater Good.

The Oxford Handbook of Political Theory John S. Dryzek, Bonnie Honig, Anne Phillips, 2008-06-12 Oxford Handbooks of Political Science are the essential guide to the state of political science today. With engaging contributions from 51 major international scholars, the Oxford Handbook of Political Theory provides the key point of reference for anyone working in political theory and beyond.

Socrates Discursive Democracy Logos And Ergon In Platonic Political Philosophy Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Socrates Discursive Democracy Logos And Ergon In Platonic Political Philosophy PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting,

traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Socrates Discursive Democracy Logos And Ergon In Platonic Political Philosophy PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Socrates Discursive Democracy Logos And Ergon In Platonic Political Philosophy free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Socrates Discursive Democracy Logos And Ergon In Platonic Political Philosophy Books

1. Where can I buy Socrates Discursive Democracy Logos And Ergon In Platonic Political Philosophy books?
