Soes Ultimate Deception Operation Periwig:

SOE's Ultimate Deception Fredric Boyce,2009-03-12 In the closing months of the Second World War General Eisenhower exhorted the Western Allied forces to redouble their efforts to break the German will to resist In considering this appeal General Gubbins whose Special Operations Executive was making a significant contribution to the liberation of occupied territory was faced with a fundamental difficulty in the case of Germany Although opposition to Nazism was present in some areas it was neither organised nor pro Allied Then someone had the idea of creating an entirely fictional German resistance movement and selling it to the Nazi security authorities From January until April 1945 SOE rained propaganda leaflets on the hapless population fleeing the ruins of their cities and the oncoming Allied ground forces they broadcast messages to the resistance they planted the most scandalous lies about eminent Nazis and at the end they even dropped four agents on fictitious missions This imaginative response to Ike s exhortation and the sheer audacity of the operation itself demand to be told to a wider audience *The Big Three Allies and the European Resistance* Tommaso Piffer,2025-05-27 While the Big Three and their continental Allies fought against Nazi Germany another war was under way on the continent the war to shape the political landscape of post war Europe In the Balkans the war overlapped with political and ethnic conflicts engulfing the region in bloody civil wars In Central and Eastern Europe partisan movements engaged the Germans without losing sight of the danger posed by the arrival of the Red Army In France and in Italy the adoption of the slogans of national liberation provided the communist parties with a formidable democratic legitimacy which established them as key players in the political lives of their countries The British and the Americans worked to stir up support control and direct these resistance groups London created the Special Operations Executive SOE and Washington the Office of Strategic Services OSS both of whom sent agents into occupied Europe to liaise directly with the guerilla groups Through the Comintern Moscow carefully coordinated the actions of the European communist parties with the foreign policy of the Soviet Union which was acting for the first time as a key player in the arena of international relations The forests and the mountains where the partisans were fighting the Germans soon became a major part of the proxy war that the Big Three waged to shift the post war geopolitical balance in their favour Looking for the first time at the Big Three in a comparative study and spanning Europe from Yugoslavia to Poland from Greece to France and Italy this book vividly depicts and sharply analyses how this proxy war shaped the history of the post war settlement In so doing Piffer deftly connects high political histories with history from below making the book important reading for all those interested in the history of the war and cold war communism and Resistance and diplomacy and intelligence **The BBC and the Pigeon Spies** Bernard O'Connor,2018-05-30 Over 16 000 pigeons were dropped into occupied Europe during the Second World War Some were used by secret agents to send messages back to headquarters Others were dropped into selected areas of France Belgium Holland and Denmark in the hope that people would complete the attached questionnaire and provided military political

economic or other intelligence of value for the Allies There were also requests for information on the reception and content of the BBC Overseas Service news Many messages sent back requests that the BBC acknowledge receipt of the message This book investigates the work of MI14 known as the Colomba Service and for the first time sheds light on conditions in Occupied Europe described by extremely brave men and women who risked execution if found in possession of a pigeon MI14 staff decoded or translated messages and forwarded copies to the SOE SIS MI19 the War Office RAF Royal Navy Ministry of Economic Warfare Churchill de Gaulle and the BBC

A Genius for Deception Nicholas Rankin, 2009-11-10 In February 1942 intelligence officer Victor Jones erected 150 tents behind British lines in North Africa Hiding tanks in Bedouin tents was an old British trick writes Nicholas Rankin German general Erwin Rommel not only knew of the ploy but had copied it himself Jones knew that Rommel knew In fact he counted on it for these tents were empty With the deception that he was carrying out a deception Jones made a weak point look like a trap In A Genius for Deception Nicholas Rankin offers a lively and comprehensive history of how Britain bluffed tricked and spied its way to victory in two world wars As Rankin shows a coherent program of strategic deception emerged in World War I resting on the pillars of camouflage propaganda secret intelligence and special forces All forms of deception found an avid sponsor in Winston Churchill who carried his enthusiasm for deceiving the enemy into World War II Rankin vividly recounts such little known episodes as the invention of camouflage by two French artist soldiers the creation of dummy airfields for the Germans to bomb during the Blitz and the fabrication of an army that would supposedly invade Greece Strategic deception would be key to a number of WWII battles culminating in the massive misdirection that proved critical to the success of the D Day invasion in 1944 Deeply researched and written with an eye for telling detail A Genius for Deception shows how the British used craft and cunning to help win the most devastating wars in human history

Bletchley Park and the Pigeon Spies Bernard O'Connor, 2018-02-05 Over 15 000 pigeons were dropped into occupied Europe during WW2 Some were used by secret agents to send messages back to headquarters Others were dropped by parachute into France Belgium Holland and Denmark in the hope that people would complete the attached questionnaire and provided military political economic or other intelligence of value for the Allies Photographic negatives could be sent Bletchley Park had its own loft for its pigeon spies This book investigates the work of MI14 known as the Colomba Service and for the first time sheds light on conditions in Occupied Europe described by extremely brave men and women who risked execution if found in possession of a pigeon MI14 staff decoded or translated messages and forwarded copies to SOE SIS MI19 RAF RN Ministry of Economic Warfare BBC Churchill de Gaulle and President Benes of Czechoslovakia

Section D for Destruction Malcolm Atkin, 2017-11-30 When Neville Chamberlain made his famous Peace in Our Time statement in 1938 after the Munich Agreement with Hitler he may or may not have been aware that the new Section D of the Secret Intelligence Service was already making plans to mount an all out political and sabotage war against Nazi Germany This was a new form of warfare encompassing bribery black propaganda and sabotage by agents

described as having no morals or scruples To the horror of many it disregarded the conventions of neutrality and was prepared to hit the Nazi state wherever it could do most damage Malcolm Atkin reveals how Section D's struggle to build a European wide anti Nazi resistance movement was met with widespread suspicion from government to the extent of a systematic destruction of its reputation It was however a key pioneer of irregular warfare that led to the formation of the famous Special Operations Executive SOE His study is the first in depth account of it to be published since the release of previously secret documents to the National Archives *The Bedford Triangle* Martin W. Bowman, 2016-08-12 The Bedford Triangle portrays the crucial part played by the British Special Operations Executive SOE US Army Air Force USAAF and American Office of Strategic Services OSS in operations behind enemy lines in occupied Europe during World War Two Milton Ernest Hall a country house in Bedfordshire used officially as the UK headquarters of the US Army Airforce Service Command was located at the heart of a network of top secret Allied Radio and propaganda transmitting stations political warfare units and undercover British and American formations dealing in espionage and subterfuge Martin Bowman draws upon revealing first hand accounts together with official documentary evidence to provide tantalising glimpses of the cloak and dagger operations The author's extensive research has revealed that Allied Secret Service organisations participated in even more unorthodox activities such as clandestine propaganda and political warfare He also reveals the truth behind what really happened to legendary band leader Glenn Miller *The Bulletin*, 2004 *The Woman Who Censored Churchill* Ruth Ive, 2010-12-26 During the Second World War the only way Winston Churchill and his American counterpart Franklin D Roosevelt could communicate was via a top secret transatlantic telephone link All other Atlantic telephone cables had been disconnected to prevent the Germans intercepting information Ruth Ive then a young stenographer working in the Ministry of Information had the job of censoring the line and she spent the rest of the war listening in to the conversations across the Atlantic ready to cut the line if anything was said that might compromise security Ruth was sworn to secrecy about her work and at the end of the war all documentation proving the existence of the telephone line was destroyed It was not until 1995 when Churchill's private files were finally declassified that Ruth was able to research her story Now for the first time one of the Second World War's key workers describes the details of her incredible story and the private conversations of two of the war's most important players can be revealed **Il fronte segreto** Tommaso Piffer, 2024-05-28 Durante la seconda guerra mondiale mentre infuriava la battaglia tra gli Alleati e la Germania nazista alle spalle del fronte si combatteva un altro conflitto altrettanto cruciale quello per il futuro dell'Europa Un conflitto fatto di operazioni speciali guerriglia partigiana e intelligence Un fronte segreto che vide inglesi americani e sovietici sostenere finanziare e tentare di dirigere i movimenti di resistenza che contendevano ai nazifascisti il controllo dell'Europa occupata Per raggiungere i propri obiettivi gli inglesi crearono lo Special Operations Executive SOE e gli americani l'Office of Strategic Services OSS Mentre l'Unione Sovietica che inizialmente aveva collaborato con la Germania di Hitler nella repressione della resistenza dopo l'invasione tedesca del

1941 divenne il quartier generale politico morale e in certi casi militare di uno degli attori fondamentali della resistenza antinazista i partiti comunisti europei Per Londra Washington e Mosca la sfida per non era solo militare ma anche politica I boschi e le montagne dove i partigiani combatterono diventarono per gli Alleati i campi di battaglia di una guerra per procura per forgiare l'Europa che sarebbe sorta dalle ceneri del conflitto Eppure questa pagina di storia finora stata raccontata per lo più in un'ottica di tipo nazionale mai come una storia europea Il ricco e ben documentato volume di Tommaso Piffer integra per la prima volta in un'unica narrazione la storia dei tre Alleati e quella dei movimenti partigiani europei con particolare attenzione agli aspetti delle relazioni politiche e all'allestimento delle operazioni segrete sul campo fornendo una finestra preziosa attraverso la quale guardare in modo diverso al conflitto mondiale nella sua interezza Un'inedita lettura che getta nuova luce sull'impatto che quelle dinamiche ebbero sulle divisioni politiche e ideologiche del dopoguerra e sulle origini della guerra fredda
